A GREAT BIG REPUBLICAN VICTORY.

Largest Republican Vote
Ever Polled In State.

Legislature, on Joint Ballot, Will
Have Republican Majority
of Twenty-Eight Votes.

The election of last Monday was a hotly contested one both in counties and congressional districts, but the Republicans won the day in all localities.

In the first congressional district Tongue has, with incomplete returns in, a plurality of nearly 3000, while in 1898 his total plurality was but 2037. Moody is elected in the second district.

The legislature will stand on joint ballot, 58 Republicans and 31 fusionists and citizens. Of these the senate has 20 Republicans and 10 fusionists, the house, 38 Republicans and 21 fusionists.

In Jackson County the Republicans elected every man on the ticket except the candidate for county judge.

HOW MEDFORD WILL CELEBRATE.

The several committees appointed to manage the Fourth of July celebration affairs for Medford have been "rolling logs"—so to speak, in a manner which betokens a sure success. They are figuring on expending fully \$700. Among the features will be—

A balloon ascension and parachute jump, by Prof. Nelson, one of the best known balloonists on the coast, and who has given performances in all of the larger cities of the east. That he is a first-class performer goes without saying when it is known that his performance here will cost the committee \$200.

There will be a ball game between Eagle Point and Medford teams, for a purse of \$50.

The orator is Hon. Geo. C. Brownell, of Oregon City, one of the best known and ablest speakers in the state.

The Declaration of Independence will be read, or, rather, recited, by Miss Mae Merriman, one of Medford's best elocutionists.

There will be an abundance of band music at intervals during the day, and there will be splendid vocal music at the grounds during the exercises.

The speaking will take place in the grove, near the school house, where seating capacity for several thousand people will be provided.

The parade will be made up of the Goddess of Liberty car, the Angel of Peace car, chariots, floats, representing business interests of Medford, thirteen ladies on horseback, representing the thirteen original states, carriages bedecked in festive style with roses and various kinds of flowers.

The callithumpians, in all their gorgeousness, will appear at 1:30 p. m. John Hardin is captain of this last named feature and he is inviting recruits. John Bellinger has been elected to represent the Ethiopian Goddess of Liberty. There will be an Angel of Peace, Uncle Sam, several cages of wild animals and various other characters of like nature.

There will be a multiple of races of various nature. In the evening there will be fireworks. Finest display ever seen in Southern Oregon.

There will be dancing all day and evening.

THE Republicans scooped the whole works in the state and we folks here at home came very near making a clean sweep. We only lost two men out of fourteen—which is pretty good considering the lies and treachery we were compelled to go up against. That we lost Narregan and Watson is to be regretted, but it could not have been avoided. Both these candidates were handicapped by not being able to canvass the field personally and could not therefore refute the falsehoods which were put up by the opposing party.

For Goddess of Liberty.

The contest for our Fourth of July Goddess of Liberty is warming up considerably. There are no new candidates in the field and of those mentioned last week the rivalry seems to be between Miss Lillian Barr and Miss Tessie Saltmarsh, with the latter in the lead with 715 votes to her credit, while Miss Barr is a swift second with 615 votes. The contest will close on June 10th. Following is the score as it stood Wednesday night:

Tessie Saltmarsh	715
Lillian Barr	617
Mollie Barneburg	242
Grace Foster	41
Jessie Worman	26
Allen Webber	14
Emma Reed	9
Lillian Rhinehart	8
Etta Medynski	5
Jessie Orth	4
Pearl Webb	4
Minnie Cox	3
Ella Rawlings	3
Beulah Warner	3
Freddie Angle	2
Mae Merriman	2
Leola Hardin	2
Fannie Haskins	2
May Ross	2
Mamie Nicholson	2
Genevieve Reames	1
Miss Perry	1
Jessie Wilson	1

NEWS OF THE STATE.

Governor Geer has received from an eastern paper a telegram asking his "views on a proposition to invite the Boers to immigrate and settle on unoccupied lands in the United States." The inquiry continues: "Would they not make excellent citizens, worthy additions to our population? Would your state not welcome them?" The inquiry has not yet been answered.

—Quite a number of our citizens who are interested in the raising of poultry, met at the town hall Wednesday evening to discuss the advisability of organizing a poultry association for Rogue River Valley. Some twenty-five of the leading poultry raisers have expressed themselves as enthusiastically in favor of such an organization, and a meeting was called for Saturday, June 16, at 2 o'clock p. m., when it is hoped that all who are interested in the advancement of the poultry industry will be present. There is no question but the poultry business can be made one of the leading industries of Southern Oregon. Come out and help to organize the association.

Pianos and Politics.

If each of our candidates for public favor in our late election enjoyed the clean record and far reaching popularity of the justly celebrated Chickering, Weber, Kimball, Jacob Doll, and other pianos which we sell, they would all have had a walk-over. Our instruments are winners every time—and are sold only by the Cass Piano Store, Seventh street, Medford, Oregon.

County School Notes.

By Supt. G. A. Gregory.

Miss Gertrude Richardson is in charge of No. 67.

Miss Lelia Anderson has begun a summer term in the Watkins district.

Pupils in No. 19 are interested in their literary society which has recently been organized.

On account of poor health, Miss Hattie Eaton was compelled to close the term in No. 10 a few days earlier than was intended.

Several school houses were used for voting places on Monday. Election day is a legal holiday for schools so that teachers will not need to make up that day.

Visits to the schools in districts 19, 42, 51 and 81, gave opportunity of noting the work of five wide awake teachers. Pupils in the mountain districts are eager to learn and easily led when in charge of competent teachers.

The people of Lake Creek district and some from adjoining districts crowded in and about the school house on the evening of May 30th to enjoy a program rendered by pupils of Miss Nellie Towae. Selections were well chosen and rendered with a vigor that met with general approval. The directors of this district demand good teachers and the patrons are standing by their school in proper shape.

The Dewey school is again at the front. A year ago a successful program and picnic closed the spring term and gave such general satisfaction that it was the wish of all to try the same plan again. Last Friday the pupils, in charge of their teacher, Miss Zuda Owens, gave a program that was worth going miles to hear. Patrons of the school and friends from near and far were present. The school house could not hold the crowd, but there was room outside and much of it was appropriated. After the program a feast was served by the ladies, which in quality would tempt the appetite of the most exacting epicure, and for quantity was far in excess of the demands of the hungry throng. The Medford high school band furnished good music, and short speeches were made by T. B. Ellison, N. L. Narregan and G. A. Gregory. Patrons, teachers and pupils are united in this district in making the school the center of their common interest.
