HAIR HELP
So many persons have hair that is stubborn and dull. It won't grow. What's the reason? Hair needs help just as anything else does at times. The roots require feeding. When hair stops growing it loses its luster. It looks dead.

AYER'S HAIR VIGOR
acts almost instantly on such hair. It awakens new life in the hair bulbs. The effect is astonishing. Your hair grows, becomes thicker, and all dandruff is removed. And the original color of early life is restored to faded or gray hair. This is always the case.

\$.50 a bottle. All druggists.
"I have used Ayer's Hair Vigor, and am really astonished at the good it has done in keeping my hair from coming out. It is the best tonic I have tried, and I shall continue to recommend it to my friends."
MATTIE HOLT, Burlington, N. C. Sept. 24, 1898.
If you do not obtain all the benefits you expect from the use of the Hair Vigor, write the Doctor about it.
Dr. J. C. AYER, Lowell, Mass.

Much interest was taken in the closing exercises as there was a graduating class of six to receive diplomas. This is the first time in the history of this school that a class has graduated from the eighth grade. Four of the pupils, Lora Hockersmith, Bessie Stephenson, Duffern Bonar and Jas. Spencer, are from this district and the other two, James Martin and Ernest Smith, are from the Independence district but completed their examinations at this place. The house had been beautifully decorated with roses and vines. Friends came from different parts of the county and long before the exercises commenced the house was crowded to its utmost capacity, and large numbers were compelled to remain on the outside. The class motto was "All Must Work Who Reach the Top." The class colors were white and lavender.

DR. DARRIN
Has Concluded to Remain in Medford Until July 28th.
Owing to the Many Patients Received the Past Month, this Eminent Physician Has Been Compelled to Remain.

WONDERFUL CURE
Of a German Editor of Obstinate Deafness.
(Portland "Freie Presse.")
The lack of loss of one of the five human senses isolates a patient thus afflicted as entirely from the world as if he were banished to a lone island. What gratification can bring us the society of our best friends and acquaintances if their voices do not reach our ear or if, instead of it, we are only conscious of an indistinct murmur? With the loss of hearing all joy and pleasure dies within us, most so in the domestic relations and family life. The song of our children sounds from their lips but does not reach our heart, their thanks and prayers are an empty sound. No birds sing in the branches for us; no sound of the whole nature reaches our ear—a feeling of sorrow and despair fills our heart. It makes no difference if our suffering is due to an obstinate cold or to other causes.
To give our readers a case, the most convincing because taken from the circle of our nearest acquaintances, we refer to Mr. J. J. Kern, who suffered five years ago from a deafness so obstinate that his mind began to suffer. Mr. Kern was at that time editor of the "Nachrichten und Freie Presse," and the loss of hearing and the constant noise in his ears proved a great obstacle in his business. Dr. Darrin cured him by clever treatment, and the evil has never returned.

Postmaster C. M. Ruch, of Ruch, Oregon, writes: "About twelve years ago I commenced to notice my hearing was falling. At times I was quite deaf. Ringing noises in my head was almost unbearable. Dr. Darrin cured me of both afflictions June 7, 1901, with one treatment of about two hours."
Miss Bettie Snow, Edson, Wash., crossed since two years old; cured in one minute. The following names will go far to substantiate the doctor's skill in Miss Snow's case. The operation is painless.
We, the undersigned, have known Miss Bettie Snow all her life, and know of her eyes being crossed, and that she was successfully cured by Dr. Darrin: Rev. R. Z. Farns, Excelsior, Wash.; Rev. George Buzzelle, Edson, Wash.; W. J. McDONNELL, postmaster, Edson, Wash.; W. B. CHAMBERLAIN, Chief of Police, Edson, Wash.; A. C. HARRIS, druggist, Edson, Wash.; D. C. SMITH, Edson, Wash.; I. W. HAIRD, jeweler, Edson, Wash.
Mrs. P. Hayes' daughter, southwest corner 20 and Marshall street, Portland, got her (large neck) for years, cured with electricity alone.
A. J. Armstrong, 110 Third St., Portland, varicocele of years duration, cured 7 years ago by a slight operation.
R. C. Cook, Portland, stricture of the urethra, cured after five doctors failed to cure him.
W. W. Thompson, Vancouver, Wash., an enormous hydrocele, cured 8 years ago.
Mrs. Abbie Wareham, Monticello, Ore., epilepsy 23 years, cured by electricity and medicine 10 years ago, and never had a return of the symptoms.

POSTMASTER MERRIMAN TELLS HOW HIS WIFE WAS CURED BY DR. DARRIN.
Noticing Dr. Darrin's advent in Medford, I think it no more than right to tell the public what he did for my wife two years ago. For about six years my wife had a troublesome catarrh of the head, which resulted in bronchitis and asthma. All previous attempts at cure proved futile. Dr. Darrin cured her of the above mentioned troubles in about three months. I am glad to give this card in justice to Dr. Darrin as well as the good it may do the public. Refer anyone to me or my wife.
GEO. F. MERRIMAN, P. M.

A MEDFORD MAN COMMENDS DR. DARRIN.
To the Editor:—For 7 or 8 years I have been troubled with catarrh, insomnia, numbness and rheumatism in my leg—at times I could not raise my foot to walk upstairs. I was greatly worried over my condition. My catarrh is rapidly getting well, I can now sleep as well as ever—and the pain and numbness is about gone. I reside in Medford, and can be referred to by letter or in person. I most heartily commend Dr. Darrin to the public.
J. A. LYON.

DEAFNESS CURED IN TWENTY MINUTES.
To the Editor:—For years I have been totally deaf in one ear. Dr. Darrin cured me in 20 minutes. He also cured my daughter of inflamed and granulated eyes, and greatly benefited her in other ways. I am also nearly cured of rheumatism and numbness of my limb. Refer anyone to me by letter to Central Point or to me in person.
MRS. E. J. ROBERTS.

MRS. NOE GLAD SHE CALLED ON DR. DARRIN.
To the Editor:—For more than 30 years I have been gradually growing deaf. Dr. Darrin cured me. Refer your readers to me at Rock Point, Or. I am glad I called on Dr. Darrin, though I met with opposition from skeptical people. Dr. Darrin is all he claims to be.
MRS. MARY F. NOE.

AN EYE TROUBLE CURED.
To the Editor:—Number me among the cured. For many years I have been greatly afflicted with inflamed and granulated eyelids. Through Dr. Darrin's electrical and other treatment I am cured, and gladly add my name.
MRS. MINNIE MAHOLAND.
