Eagle Point Eaglets.

BY A. C. HOWLETT.

Ira Tungate, of N. t. Pitt precinct, has purchased a new organ.

Born—To Mr. and Mrs. Thomas Coy, July 24, 1901, a daughter.

John Williscroft, the druggist, was called to Medford last Saturday.

Mrs. Settles, of East Medford, was the guest of Mrs. Moomaw last week.

Emanuel Pool is making preparations to build an addition onto his house.

Merchant Daley is having lumber hauled for the erection of a new store house.

Wm. Mitchell and family, of Evans creek, were the guests of Geo. W. Daley, Jr., last Sunday.

Porter Robinett and family, of Hornbrook, who have been visiting in this section, returned home last week.

Mrs. C. H. Jones, nee Lelah Fryer, arrived from Seattle last week on a visit to her parents, Mr. and Mrs. J. J. Fryer.

Mrs. Rhoda Miller and family in company with Mr. Roper and family and Mr. and Mrs. Millsap, all of Ashland, stopped over night here one night last week, en route home from Crater lake.

The extreme dry weather is effecting the water supply in this section. One well that up to this year has always had about forty feet of water in it has just about gone dry, and some of the springs in this locality have gone entirely dry.

Jas. Lewis and son, Eddie, of the Sterling district, came up last week. Mr. Lewis reports the mines in that section shut down now for the purpose of cleaning up. Eddie remained for a few days with his grandparents, Mr. and Mrs. Howlett.

Last Sunday at the close of the Sunday school Rev. Moomaw lectured to the children. He gave a fine talk and held the attention of the entire school, numbering in all about forty children. In the afternoon he lectured at the Brownsboro Sunday school.

Mr. and Mrs. Floyd Pearce, of Forest creek, came over last week and spent a few days with Mrs. Pearce's parents, Mr. and Mrs. J. J. Fryer. Mr Pearce left Sunday morning for eastern Oregon, where he goes to seek a location, he having leased his mine for two years.

Frank Poole, the carpenter, is kept quite busy these times. He is now engaged on the Elk creek bridge and has several jobs awaiting him here. When a good mechanic like Mr. Poole locates in a prosperous community like this he can always find plenty of employment.

Alfred Letcher and family of Tillamook County, arrived here last week and have rented the old Haselton property. He is a jeweler and expects to follow that line of business here, and if circumstances seem to justify, he will handle wagons and musical instruments in connection with his regular trade. His oldest daughter, Miss Florence, is a music teacher, and an effort is already being made to organize her a class in music. They come well recommended by the local papers of their town.

Misses Jessie and Lillie Gregory and Mr. Nye, of Medford, spent last Sunday here, the guest of Mrs. A. J. Florey. While here, in company with Miss Ethyl Florey, the party went on a little fishing excursion. They succeeded in catching one fish about four inches long, which our fish inspector decided was a pollywog. However, they had a good time and went home feeling greatly refreshed after their day's outing. Later:—The fish caught by the ladies and Mr. Nye was purloined and afterwards retaken and our justice of the peace forwarded it to them Monday morning by mail.

A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost a bloody flux. I asked him if had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." For sale by Chas. Strang, druggist.

SOUTH AFRICAN WAR.

A dispatch from Pretoria, dated July 26 says: "A detachment of Steinacker's Horse, occupying Bremersdorp, was forced to evacuate July 24th by a superior force of Boers. The detachment fought its way to Lembobo, a distance of 16 miles, losing about ten killed or wounded and a few missing.

From July 1 to July 22 the number of Boers captured, wounded or surrendering was 1,168. Caves that were occupied by the Boers have been discovered in the Lydenburg district. The caves were well furnished and stocked with provisions. A quantity of silks and satins was also found in them, and it is supposed that these were looted from stores. A military census will be taken on July 31. Colonel Garrett in a skirmish near Vereeniging captured 25 Boers and a number of cattle and wagons.

Lord Kitchener telegraphs July 25 that Colonel Barratt's column surprised a Boer convoy near Reitzburg and captured 25 prisoners and some wagons. The British casualties were two killed and six wounded. General French's column in Cape Colony is gradually pushing the Boers northward.

General Baden-Powell arrived at Southampton, England, from South Africa, and was formally welcomed by the mayor and civil authorities. When he arrived at Woking to visit Captain McLaren, who served with him in India and at Mafeking, there was a great demonstration with bands, bonfires and decorations. The members of the fire brigade detached the horses from the carriage and hauled the hero of Mafeking to Captain McLaren's residence.

San Francisco Typographical Union No. 21, at its last meeting, passed a series of resolutions condemning the "arrogant and vicious attitude" of the Employers' association in declaring itself inimical to all labor organizations, thereby seriously complicating the endeavors to settle the existing disputes. A protest is made against any recognition whatsoever by the mayor or municipal authorities of the Employers' association in pending or future labor difficulties.

Judge E. C. Hart of Sacramento sentenced Frank Enright and Ray Fahey to San Quentin for life for robbery. Ever since Judge Hart took office in 1898 he has been carrying out the idea he then expressed, to deal out severe punishment to criminals of the footpad class. The Sacramento police say that Judge Hart is worth a score of police in the town.

Crescens, the world's champion trotting stallion, traveled a mile over the Glenville track at Cleveland, O. in 2023¼. This establishes a new world's record for both sexes, eclipsing the former world's record of 2035¼ held by The Abbott.

The battleship Maine, designed to be bigger, stronger and faster than her namesake that now lies in the harbor of Havana, was successfully launched from the Cramps' yard at Philadelphia in the presence of a large crowd.

In expectation of doing its own packing, the Cured Fruit association has decided to build a large warehouse near the depot at Santa Clara, Cal. The contract with the packers' company expires this year, and with a warehouse of the size contracted for the association will be in a position to pack and ship its own fruit with the aid of the growers' unions, which are already the owners of several fine packing-houses.

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 2734 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unfailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions.

SSS purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.
