Fraternal Union Install Officers.

At a regular meeting of the Fraternal Union of America, held in their hall January 4th, the following officers were installed: Dr. George Stephenson, fraternal master; Minnie Calkins, justice; Fern Norris, truth; Addie Skeeters, mercy; L A Jordan, Sec.; Jane Gilbert, Treas.; Alta Naylor, protector; Sarah Jackson, guide; Ida Mitchell, guard; Paul Stephenson, sentinel; George Jackson and William Mitchell, stewards.

After the installation and general business of the evening refreshments were served to a number of invited guests and fraternal members, among whom was Frater William Gray, a resident of Ashland, but a member of Medford lodge. This gentleman has just received from the supreme lodge \$12.50 for injuries sustained while shoeing a horse.

L. A. JORDAN, Secretary.

Oppose Mergment of Railroads.

CHICAGO, Jan. 3.—The Interstate Commerce Commission has fully considered the consolidation of the Northern Pacific and Great Northern railroads, and authorizes the statement that the merging of the properties will be contested by every legal means at their command.

BIG CANNERY QUITE PROBABLE.

In accordance with notices published in these columns last week a meeting of interested vegetable and fruit growers of the valley was held in Medford city hall on Saturday.

The meeting, which was attended by about twenty farmers and orchardists, was called to order by S. L. Bennett, the veteran enthusiast in all lines that will help the farmer, and Fort Hubbard was upon motion elected chairman and A. S. Bliton secretary. C. H. Pierce was introduced and by request gave an outline of the requirements of a vegetable and fruit cannery. His talk was interesting and instructive and at its close a canvass among those present was made to ascertain how much of an acreage of land would be planted the coming year to sweet corn and tomatoes. The result was that thirty odd acres of sweet corn and over ten of tomatoes were guaranteed. This amount would perhaps be sufficient for a small cannery, but as it is a large one we want it was decided to appoint a committee of three to make a thorough canvass of the localities where these products can be successfully grown and to report at a meeting to be held on Saturday of this week. I. A. Merriman, W. S. Chapman and G. A. Hoyer were appointed on this committee.

Among the points of interest brought out at the meeting were the prices to be paid for these products, the quality and kind and the probable yield per acre. Mr. Pierce stated that he could afford to pay \$8 per ton for corn and \$6 per ton for tomatoes. These prices seemed to be satisfactory to most of those in attendance—and to some even more liberal than they had expected. It was estimated by those who had grown these products that three tons of corn and from ten to fifteen tons of tomatoes as an acre's yield would be very conservative.

It is generally understood that if the product of 100 acres of corn and fifty acres of tomatoes is guaranteed Mr. Pierce will associate other parties with him and put in a cannery plant which will have a capacity of at least 150,000 cans of corn and between 500,000 and 600,000 cans of tomatoes each season, and during the canning season 100 hands will be required to can this output. These figures are approximated on the acreage given above. Aside from the vegetable canning there will be a considerable amount of fruit put up.

The soliciting committee reported yesterday that they had been quite successful and were very hopeful of securing the required acreage. It is especially desired that there be a full attendance at the meeting on Saturday as there will many points come up for discussion which will be well for the prospective growers to become familiar with.

Tax Levy for 1901.

At the meeting of the county commissioners' court last week the tax levy for 1901 was made. It was the supposition that the rate would be lower than that of last year, but the raise in the state proportion of nearly \$10,000—from \$18,614.21 for 1900 to \$28,103 for 1901—has made an increased levy for state purposes necessary. Following is the levy:

	Mills.
State tax	7.00
County school fund	5.00
Indigent soldiers' fund	.10
General county road	1.10
General county fund	11.80
State bounty fund	1.00
Total levy	28.00

The state this year requires \$895,000 for general purposes and \$25,000 for the agricultural college, a total of \$920,000. This is \$250,000 greater than last year's revenue, and this sum will be taxed to the several counties under the ratio fixed by the act of the last legislature.

Married--Carter-Hughes.

From the Salem Statesman, Dec. 31, 1901.
"The society event of the season occurred in this city last night, when Miss Ethel Hughes, the daughter of Mr. and Mrs. John Hughes, became the happy bride of Hon. Wm. Alfred Carter, of Gold Hill. The happy event occurred at the hospitable Hughes home on Gaiety Hill, at 8 o'clock last night. The bridal procession formed at the head of the stairs and proceeded to the east parlor, where Rev. John Parsons, D. D., pastor of the First M. E. Church, conducted the simple ceremony, which made the happy couple husband and wife. Cornelia Glass, of Oregon City, and Northrup Waters acted as ribbon bearers, while Miss Genevieve Hughes, a sister of the bride, was maid of honor, and J. R. Hammerly, of Gold Hill, a law partner of the groom, was best man. Misses Lottie M. Bennett, of Astoria, and Maud Hirsch were the bridesmaids."

Mr. Carter is one of Jackson County's brightest young attorneys and a gentleman of high integrity and honor. He was a member of the last legislature, and in that capacity was an honor to his constituents. The entire county of Jackson does not possess a more gentlemanly gentleman than is the Hon. W. A. Carter, and few indeed there are who know him who will not voice this assertion.

THE MAIL extends to the happy couple its heartfelt congratulations and wishes them a prosperous and congenial life.

The Fraternal Brotherhood in 1901.

The year 1901 has been a successful year for Banner lodge No. 135, of the Fraternal Brotherhood order in Medford. Medford is known as the "City of Lodges." We have fifteen lodges here and no two alike. In fact, all of the leading insurance secret orders of the United States are represented in Medford; and while this is the fact, the Fraternal Brotherhood made a gain of 295 per cent during the said year of 1901. One of the most successful contests for membership that Banner lodge ever participated in closed December 31st. The contesting sides consisted of twenty-one members each, who worked faithfully to win the victory. The result of the contest was twenty-three initiations and fifteen more applications. Eight candidates were initiated at a special meeting called for December 31, 1901, at 8 p. m. The banquet was given January 3d. Banner lodge has given a number of banquets, but the one that was spread on January 3d eclipsed them all, for good things to eat and a good time in general. The officers elected for the ensuing year were also installed by Past President John Jay Hester, who took charge of the installation and conducted it in an impressive manner. Following are the names of the officers installed: H. A. Frenna, Pres.; Cora M. McKay, Vice Pres.; W. L. Orr, Sec.; John F. White, Treas.; Centenna Rothermel, chaplain; Raymond Crystal, M. A.; Bertha Davis, sergeant; W. S. Edwards, I. S. D.; Preston Phipps, O. S. D.; C. P. Snell, L. D.

BERTHA E. DAVIS, L. C.

"I WOULD rather have the credit of making successful the movement to bring labor and capital into closer relations of confidence and reliance than be president of the United States. If by resigning my seat in the United States senate I could bring to fruition all the plans that are now fostering to make strikes, lookouts and great labor disputes impossible, I would do so. I stand ready and willing to give the best that is in me while life remains to accomplish this purpose."

—Marcus A. Hanna.

Taxes for 1902.

The total amount of revenue to be raised by taxation for state purposes for Oregon for the year 1902 is \$895,000. Of this amount Jackson County will pay \$28,103; Josephine, \$9,555; Klamath \$10,292.50; Lake, \$957.50. Multnomah County will be required to pay the greatest amount of taxes, \$270,508.50—while Curry County will pay the least, \$8550. Marion County ranks second highest with \$64,563.50; Linn comes next with \$47,077, and Lane with \$41,340.

Must Pay Road Tax.

If you have not paid your road tax for 1901 you cannot vote at the coming city election. The amount of this tax is \$3 for each voter. You can pay me any time before election, but you must have a receipt before you will be allowed to vote.
