A most enjoyable occasion was the entertainment given by Ruth Rebekah Lodge, No. 4, of this city, Monday evening to its sister lodges in the county. Almost one hundred and fifty people were present.

The lodge rooms were tastefully decorated with dog wood, maiden hair ferns, and a profusion of beautiful flowers. The delightful program arranged by the members was a drill and mock initiation, especially for the visiting members.

Several charming numbers sang by a quartet composed of Anna Wendt, Edith Priest, Helen Colvig and Margaret Krause, a duet by Leona Ulrich, recitation by Zepha Bayse, violin solo by Chas. Bayse and daughter, Cora, and a very interesting report of the doings of the convention of Rebekahs at Newport by Mrs. M. E. Dox.

At a late hour the guests repaired to the banquet room below, which, brilliantly lighted and the tables attractively decorated in green and white, elicited much admiration. This is a picture of my farm home. For the best of reasons I wish to sell the place; also for the same good reasons I wish to sell it myself, and give the purchaser the benefit of commission and avoidance of real estate agents. It is situated about 6 miles from Medford, 160 acres, level bottom land, all in high state of cultivation. One acre on gentle slope where house stands, good buildings, good fences, good water. About 3 acres family orchard, 1/2 acre grapes, 140 acres growing grain on place. 1/4 of crop and fruit if purchaser desires possession October 1st.

All Republicans are well pleased and Woolville expects to poll a solid Republican majority.

Eagle Point and Jacksonville.

Quite a large crowd witnessed the ball game on the Jacksonville grounds Sunday, in which Eagle Point was easily defeated by the county seat boys. The game was not lively in the least and the score was the most conspicuous part of it. Eagle Point showed very plainly their lack of practice and Jacksonville was not at themselves in the least. Several good plays were made on both sides, but nothing seemed to enliven the players on either side. Pat Dougan, of Jacksonville, landed very heavily on one of Eagle Point's pitched balls and put it over the fence in the right field, making the only home run during the game. Eagle Point at one time had the crack team of the county, but they are now at the foot of the ladder, and had Jacksonville played proper ball they should not have had a run. The final score was 25 to 12. Below is the line-up:

Jacksonville	Eagle Point
Pernoll	Reed
Donegan	Kaye
Nunan	Walsh
Ulrich	Robinson
Holmes	Brown
Lewis	Carlson
Offenbacher	Moomaw
Ingram	Brown
Donegan	Moomaw

Officials—Prim, umpire; Brown and Eckleson, score keepers.

Big Fire at Grants Pass.

GRANTS PASS, Or., May 26.—The most severe fire in the history of Grants Pass occurred here this afternoon, resulting in the loss of \$100,000 worth of property. The ash and door factory of the Sugar Pine Door & Lumber Company, with its lumber yards and all the machinery; the lumber factory and planing mills of Williams Bros. and six dwelling houses and other buildings were all destroyed within two hours' time. The fire started at 5 o'clock in the afternoon, originating from a pile of burning sawdust near the yards of the sugar pine mills. A fierce wind was blowing, and before the employees of the mill were aware of it a pile of lumber was ablaze, and the flames swept from pile to pile. The three company responded promptly, and all hands at the mill fought heroically, but to no purpose. To make matters worse, the water supply in the city reservoir was low at the time, and with the high wind the mills and factories were soon at the mercy of the flames. There was 1,000,000 feet of lumber in the yards of the Sugar Pine Company, every foot of which was burned. Nothing was saved from the factory save a few of the lighter machines that could be quickly removed. The total loss of the factory and lumber is estimated by H. C. Kinney, president of the company, at about \$75,000, with \$30,000 insurance.

From the sugar pine factory the flames swept to the mills of Williams Bros. This institution is a complete loss. There was no insurance. It was valued at \$10,000. Surrounding the mills were a number of residences, the houses of the employees of the mills. Six of these were burned. The contents of most of them were safely removed. One residence, that of E. D. Edgerton, was a complete loss. Its value was about \$700. The greatest excitement prevailed during the fire. The flames spread with such rapidity that it was found impossible to save anything from a number of the dwellings. All of the available teams in the city were kept madly at work conveying household goods and factory products to places of safety. Excited men rushed to and fro and fought bravely in the face of the flames. One man, J. A. Turner, was severely hurt while fighting the fire in the mill. He received internal injuries, besides many severe burns. He may die. A number of others were burned more or less by the flames.

The fire will prove a great loss to Grants Pass, as well as to the entire county. About 400 men were employed in the factory here and the outlying mills that supplied it. Building of which there is much at this time, will be suspended for a long period. H. C. Kinney, president of the Sugar Pine Company, when interviewed this evening, said it was impossible for him to state whether the company will rebuild its mill here or not. Upon the arrival of R. A. Booth from Eugene,

tomorrow, a meeting of the directors will be held, and the matter decided. Mr. Kinney believes that the mills will be rebuilt at once on a smaller scale, as they have so many orders on hand for boxes and other lumber products that they cannot afford not to rebuild.

Williams Bros. state that they will begin rebuilding their factory structures tomorrow.
