Eagle Point Eagle

BY A. C. HOWLETT.

Mr. Morton and family have gone to the hills for an outing.

Wm. Perry, of Big Butte, came out last Friday on business.

The farmers are all rushing their work to get their hay in while it is dry.

Geo. Brown & Sons are shipping another carload of shakes to Yreka, Calif.

Mercantile A. J. Daley made a business trip to the county seat last week.

R. G. Brown has tendered his resignation as school director in our district.

E. Ellis and son and Dr. Officer went to Medford last Monday on business.

Mrs. Appel went to Medford last Tuesday to visit friends and remained until Saturday.

A large quantity of shakes and posts are being hauled in by the citizens of the mountain districts.

Wm. Muller, of Los Angeles, son of Max Muller, of Jacksonville, was here several days last week on business.

Mrs. Nelsen Nye, Miss Elsie Nye and Chaney Florey came down from Prospect last Friday to visit at the home of A. J. Florey.

Chas. DeCarlow and son came down from their mountain home on Elk creek last week. They were accompanied by Mr. DeCarlow's

brother-in-law, Frank Ashby, of Scotts valley, California, who has been spending a few weeks with them and was on his way home.

Mrs. A. H. Peachey and three children came down from their mountain home in Mt. Pitt precinct last week to visit friends and get supplies.

Floyd Pearce and family arrived here last week from Idaho, where Mr. Pearce has been engaged in mining, and are visiting with Mrs. P's parents, Mr. and Mrs. J. J. Fryer. They report prices very high in the provision line and the snow so deep in the winter that it is almost impossible to get around. They seem to think there is no place like Jackson County, Oregon.

There is some talk of considerable real estate changing hands in this section, and the prospects are now good for this part of the county to come to the front. Every day strangers are here looking at our town, inquiring about the educational advantages, social privileges, etc., and with the present prospect for water the Sunnyside of Eagle Point is attracting considerable attention. With a ditch on the hill side the entire flat could have an unlimited supply of water, and by the creek running through the Butte creek valley water could be raised by the use of hydraulic rams to irrigate hundreds of acres of land.

A National Ailment
Is dyspepsia and indigestion, which is in reality catarrh of the stomach. The inner lining of the stomach of a person suffering with catarrh of the stomach is covered with a coating of unhealthy mucus, which prevents the proper flow of gastric fluid.

Stimulants to the gastric juice may give temporary relief, but as they do not remove the cause of the disease, they cannot effect a cure. The most reliable remedy on the market today is S. B. Catarrh Cure, which removes the cause of dyspepsia, indigestion, sour stomach, water brash, heartburn, palpitation of the heart and loss of appetite. It is for sale by all leading druggists. For sale by Medford Drug Company.

Book on catarrh free. Address Smith Bros., Fresno, Calif.

Kubli Notes.

R. J. Kubli's new general store building is just about completed and presents a very neat appearance, everything being arranged both tastily and conveniently.

The school board met on Monday, June 16th, and transacted the usual business and also held the regular school election. Geo. W. Meek was reelected trustee for three years and C. C. Burkhalter was elected clerk.

Miss Nettie Lewis, of Jacksonville who has been teaching the Kubli joint district school, closed a very successful term on Friday last. Proof of Miss Lewis' success and popularity is fully attested by her scholars, who are unanimous in their regrets at the school closing, something very unusual in a primary school class, as they are usually anxious to get from their studies and school. The attendance, during the term, has been excellent, only three or four pupils failing to get diplomas for prompt and regular attendance and these were prevented by sickness. The examinations were very satisfactory. The closing exercises, on Friday, proved very interesting and reflected great credit on both teacher and pupils. In the evening a very pleasant social dance was held in Kubli hall, the proceeds of which were for the school fund. Some twenty-five numbers were sold, netting a nice little sum. At midnight a fine oyster supper was served by Mrs. K. J. Kubli to which everyone present did ample justice, after which they all made merry until after daylight. Even the old bachelors, who might be seen shambling around with faces as long as fur on rainy days in February, and wishing they were young and in the swim again. All joined in the band shakes and good byes and voting the whole proceeding one of Kubli's most successful and pleasant social functions.

Of what does a bad taste in your mouth remind you? It indicates that your stomach is in a bad condition and will remind you that there is nothing so good for such a disorder as Chamberlain's Stomach & Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents a box by Chas. Strang, druggist.

Kane Creek Items.

BY SINE DIE.

Mr. and Mrs. Elmer Higinbotham were Gold Hill visitors last Saturday.

Mr. and Mrs. Joel Stover were in Central Point and Medford last Saturday.

Mr. Knotts, accompanied by Mrs. Perry Knotts, visited at Willow Springs last Sunday.

The annual school meeting was held last Monday and Mrs. Brown was elected clerk and Mr. Nutt director.

The Dardanells and Gold Hill

schools combined and had a picnic near town and everybody had a very enjoyable time.

Misses Nora and May Gale, who have been attending the Medford public school this winter, are home on a visit to their mother, Mrs. E. Kolen.

Mr. Roundtree and family have moved on a farm near Central Point. Their many friends here regret their departure from this neighborhood.

Mr. Davis, of Washington, who has been looking over this section with a view to locating, left for his home last week. He was very favorably impressed with this part of Oregon.

The Dardanells school closed last Thursday with appropriate exercises. Much credit is due the teacher, Miss Flo McNeil, who has given satisfaction to both pupils and parents.

The warm weather of the past two weeks has been quite the proper thing for haymaking and everyone out this way have their hay all cut and shocked. The crop in this vicinity is remarkably good.

Happy Time in Old Town.

"We felt very happy," writes R. N. Havitt, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head. It is light as air and it is for cuts, corns, burns, bruises, boils, ulcers, eruptions, infallible for piles. Only 25c at Chas. Strang's drug store."
