Eagle Point Eagle

BY A. C. HOWLETT.

Holmes Bros. are receiving considerable wheat this week.

A. J. Daley is getting the material on the grounds to enlarge his store building.

Born—July 26, 1902, to Mr. and Mrs. Jasper Hannah, on Rogue river, a daughter.

J. J. Fryer and grandson, Austin Green, made a business trip to Medford last Saturday.

About all of our Indian war veterans were in Medford last Saturday attending to their war claims.

Sheriff Rader, mother and sister, Miss Clara, were pleasant callers at the Sunnyside hotel last Sunday.

Miss Anna Peachy came out from her home in Mt. Pitt precinct last Monday and is visiting with Mrs. J. W. Grover.

Wm. Knighten and family left last week for Klamath, Calif., where he and his son will work at the lumber business.

Dr. W. B. Officer and Harry Carlton have just received their first consignment of wagons and are opening up for the fall trade.

Mrs. S. B. Holmes has been papering and remodeling the old post-office building, preparatory to displaying her fine assortment of millinery goods.

The recent warm spell has caused quite a number of our citizens to go to the different summer resorts and consequently news items are scarce in this locality.

Jas. Ringer went to Mt. Pitt precinct last Friday to attend the closing exercises of Prof. A. H. Peachy's school and to look after his interests in that locality.

John Willerfort, one of our prominent citizens, left this week for South Dakota to visit his children, where they have been since the death of their mother.

Mrs. Susan Perry, who has been with her children in Washington for some time, returned to Eagle Point last week and is visiting her daughter, Mrs. J. W. Grover.

Our daughter, Mrs. C. E. Hoyt, writes from Ft. Klamath that they have purchased property at that place and opened up a hotel and have a fine run of business. She states that she wants THE MAIL sent to them at that place.

J. J. Fryer, our new road supervisor, is doing considerable work on the roads in his district. He has repaired the Antelope bridge, dug the large stones out of the road and made several other improvements that were greatly needed.

Look Pleasant, Please. Photographer C. C. Barlan, of Eaton, O., can do so now, though for years he couldn't because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declared they are a God send to sufferers from dyspepsia and stomach troubles. Unrivalled for diseases of the stomach, liver and kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by Chas. Strang, druggist.

Kaues Creek Items. BY SINE DIE. All those reported on the sick list last week are convalescent.

Mrs. Will Foster and baby spent Sunday with friends in Gold Hill.

Dave Marden and E. E. Miner were Gold Hill visitors last Saturday.

Just Look at Her. Where came that sprightly step, faultless skin, rich, rosy complexion, smiling face. She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result—all organs active, no chance for "blues." Try them yourself. Only 25c. at Chas. Strang's.

Finishing Locations. Chas. C. and Bruce Buck located a quartz claim in Watkins mining district May 10, 1902. Wm. Carter gives notice of ditch and water location, known as the Win Carter irrigating ditch, in Evans creek district, July 3, 1902.

H. A. Espey gives notice of appropriation of water from Long John creek and Beaver creek, on June 30, 1902, to be used for mining purposes. Ida E. Savage located 1500 ft. on the Eda ledge prospect, between Fitcher creek and Evans creek, on June 7, 1902.

John Yokum located a placer claim in upper Grave creek district July 22, 1902.

His Sight Threatened. "While pickling last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of St. Louis, Mo. "He rubbed the poison of his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever. His skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is a sore cure. Relieves pain at once. Beware of counterfeits. Chas. Strang.

No! I don't want a bottle any cheaper, or twice as large, or one made by yourself. I do want PERRY DAVIS' Painkiller and will not have any substitute; there is nothing else as good.

John Chandler, who has been employed at the Braden mine for the past two years, will leave soon for California to join his wife. They will probably locate there.

Dr. Braden, who is stopping in Gold Hill, made a trip out here last Friday to visit the Braden-Graham mine, of which he is half owner. The mine is still showing a good supply of free milling ore.

He Were Saved. "For years I suffered such untold misery from bronchitis," writes J. H. Johnston, of Broughton, Ga., "that often I was unable to work. Then when everything else failed I was wholly cured by Dr. King's New Discovery for consumption. My wife suffered intensely from asthma till it cured her, and all our experience goes to show it is the best croup medicine in the world." A trial will convince you it's unrivaled for throat and lung diseases. Guaranteed bottles 50 cents and \$1. Trial bottles free at Chas. Strang's drug store.

Beagle Items. Jesse Richardson, of Beagle, has raised his large, commodious barn.

Glass & Sons have engaged Sam'l Richardson as engineer for their steam thrasher.

Fred Chaffee, formerly of this section, but now of Portland, is making relatives and friends here a brief visit.

Everything is life and activity in the golden grain fields. The sound of the headers is heard from early morning until late at night.

Miss Coffee, of Gold Hill, is staying with Mrs. Nettie Glass, while Mr. Glass is away looking after his thrashing machine interests.

The Glass machine will begin thrashing a few crops as soon as heading is finished in this immediate section, and will then go to the Bear creek country.

John Nelson, our good neighbor and wide-awake thrashing machine man, passed here Monday. He informed us that he would begin thrashing Wednesday.

We are glad to report that our road supervisor, Thos. Bailey, who was so severely bitten by a rattlesnake near the John Houston place, on Long branch, is out of danger.

A YOUNG LADY'S LIFE SAVED.

At PRAMA, Colombia by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Chas. H. Utter, a prominent physician, of Panama, Colombia, in a recent letter states: "Last March I had a patient, a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by Chas. Strang, druggist.

Corrected His Error.

With the Germans the absentminded college professor is a stock source of witlessness.

One of these deeply absorbed gentlemen, sitting on a rear seat, thought he knew a person sitting in front and was about to speak to him when, the stranger by chance turning a little, the professor saw that he was mistaken.

Nevertheless, touching him on the shoulder, he remarked politely: "You will excuse me, but you are not the person I thought you were."—Philadelphia North American.

Eczema, Psoriasis, Salt Rheum, Tetter and Acne

Belong to that class of inflammatory and disfiguring skin eruptions that cause more genuine bodily discomfort and worry than all other known diseases. The impurities or sediments which collect in the system because of poor digestion, inactive kidneys and other organs of elimination are taken up by the blood, saturating the system with acid poisons and fluids that ooze out through the glands and pores of the skin, producing an intense itching and burning, and a yellow, watery discharge forms into crusts and scabs or little brown and white scabs they drop off, leaving the skin tender and raw. The effect of the poison may cause the skin to crack and bleed, or give it a scaly, fishy appearance; again the eruptions may consist of innumerable blackheads and pimples or hard, red bumps upon the face. Purification of the blood is the only remedy for these vicious skin diseases. Washes and powders can only hide for a time the glaring blemishes. S. S. S. eradicates all poisonous accumulations, antiseptics the Uric acid and other acids, and restores the blood to its wonted purity, and stimulates and revitalizes the sluggish organs, and the impurities pass off through the natural channels and relieve the skin. S. S. S. is the only guaranteed purely vegetable blood purifier. It contains no Arsenic, Potash or other harmful mineral.

Write us about your case and our physicians will advise without charge. We have a handsomely illustrated book on skin diseases, which will be sent free to all who wish it. THE SWIFT SPECIFIC CO., Atlanta, Ga.

Syrian Asphalt.

Asphalt is found in the provinces of Syria on the banks of the Dead sea floating on the surface of its waters. Through the action of earthquakes the asphalt has been torn from the bottom of the sea and driven toward the shores, especially to the east. The narratives of the Greek and Roman historians to the effect that asphalt as small islands was upheld by the salt water and driven over the surface of the sea are without doubt true. This asphalt and generally the oriental or Egyptian is pure and expensive and used principally in the manufacture of a certain kind of varnish, but for general purposes, owing to its brittleness as well, is useless in the asphalt industry.—American Asphalt Journal.

A Bright Student.
