Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declared they are a God send to sufferers from dyspepsia and stomach troubles. Unrivaled for diseases of the stomach, liver and kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by Chas. Strang, druggist.

Thousands of People Killed.

Annually from catarrh of the kidneys and bladder. A peculiar acid is generated and set at liberty by this disease which permeates the blood, weakens and destroys its renovating power and allows the system an opportunity to throw off this malady until the poison is neutralized and expelled from the system. Bilek dust sediments indicate uric acid poisoning. It is here that S. B. Catarrh Cure becomes of the most vital consequence, because unless arrested at this stage the disease makes rapid progress to an early grave. S. B. Catarrh Cure permeates every fluid of the body, cleanses it from all impurities and is the greatest uric acid solvent ever discovered. One bottle will convince the most skeptical of this fact. For sale by all leading druggists. Book on catarrh free. Address Smith Bros., Fresno, Calif. For sale by Medford Drug Company.

There are many pleasant and interesting things to greet you in life, but I question if there is any one thing that can surpass and give the same amount of pleasure in as brief a time as a day of social chat with old pioneer friends of twenty five years gone by. This was the pleasant lot that befell your humble writer a few days since, accompanied by his wife and son, Mrs. Curry and Miss Curry, on a visit to Mrs. and Mrs. J. C. Hannah's old, shady home on Rogue river, where the manufacture of pottery is located, and the peaches, watermelons and su. are grown so large and tall. We were made welcome by the warm hand of friendship and were, by accident, in time to congratulate them as Grandpa and Grandma Hannah, on the 26th of July, 1902 there came to their house a new little baby girl to the wife of Mr. and Mrs. Jasper Hannah, Jr. I question whether there is a family in all Southern Oregon more extensively known to the traveling public than the coming place at Grandpa Hannah's on Rogue river. These good pioneer people have lived here continuously for forty years, and the latch string has always hung out to welcome the hungry and weary traveler—

money or not, was always their life-long motto. Mr. Hannah informs me that he will begin the manufacture of pottery this fall. He and his sons are now engaged in stock-raising. His cattle of sixty head are on the Umpqua divide, and his sheep band on the alfalfa fields of Rogue river bottom.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it—Geo. W. Pray, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia, Kodol digests any food you eat. Take a dose after meals. Chas. Strang.
