Eagle Point Eagle.

BY A. C. HOWLETT.

Mr. and Mrs. J. W. Grover are the happy parents of a fine girl baby, born on August 10th.

Stevens & Bradshaw started up their thrasher last week and seem to be doing a good business.

Baxter Robinson is advertising his household furniture for sale or to trade for horses or mules.

Mr. Freeman, of Central Point, passed through here last week on his way to John Nichols' on business.

W. H. Bradshaw was in town last Monday. He reports that the grain on his farms is turning out quite well.

Miss Clara Rader and her sister, Mrs. George Garrett, were pleasant callers at Sunny Side last Saturday afternoon.

A Rev. Countryman preached here last Sunday. As it was not known that there was to be preaching, the congregation was small.

Judge Crowell, of Medford, accompanied by a friend, passed through our town one day last week, en route to the hatchery on Rogue river, near the mouth of Elk creek.

Frank Tugate and family came out from their mountain home last week to join in welcoming Gov. Geer and Congressman Tongue and party. Emanuel Pool and family also came out and spent several days with relatives.

Mr. Von der Hellen, the Wellen postmaster, had a horse badly out on barbed wire one day last week, and the animal came near bleeding to death; but the flow of blood was finally stopped and at last accounts the horse was improving.

Prof. A. H. Peachey returned to his mountain home last Friday leaving his wife and daughter here. He was accompanied by J. Jonas. They returned Monday and Mr. Peachey went to Jacksonville to take the teachers' examination.

Last week I stated on the authority of Dr. W. B. Officer that the doctor had purchased the old Pool hall and blacksmith shop, but there seemed to be a mistake somewhere. Mr. Pool sold the property to H. B. Calhoun, consideration \$100, and he is fixing it up for a confectionery store and ice cream parlor. He is also putting the hall in first-class shape for parties, socials, etc. He has bought out the stock and business of Mrs. H. L. Appel, and among other sensible acts he has subscribed for the MEDFORD MAIL.

Last Thursday night Gov. Geer and Congressman Tongue and party camped here, and quite a number of our citizens met to extend them a cordial welcome. The governor was called upon for a speech, to which he cheerfully responded. After being introduced by one of the party, he gave us a brief description of the penitentiary and related the circumstances connected with the escape of Tracy and Merrill from that institution. His talk was very interesting and in true and was highly appreciated. Mr. Tongue was also called upon and gave us an interesting talk on the necessity of educating the masses. He referred to the assassination of our presidents as an evidence of the ignorance of that class of people who inhabit our land. The next morning the company started on their way to Crater Lake. They were joined here by John R. Cooke and family.

Mr. and Mrs. J. G. Martin attended the funeral of their deceased relative and friend, Mrs. S. E. Thompson, of Jacksonville.

Mr. Payne has homesteaded a forty acre tract adjoining Mr. Smith's father-in-law. These industrious people are from Michigan.

G. W. Stacy has housed his head in the 1902 crop is now cut and stacked and he will now take charge of the Pelton thrasher.

Harvey Richardson, our present mail carrier, is in our midst circulating a petition asking for a change in his mail route from Sims Valley to Agate. A strong remonstrance is following it up.

The sad and painful news has just reached us of the burning to death of two of Mr. and Mrs. Gabe Davis' children. They were brought to Sims Valley and buried in that cemetery. Mr. and Mrs. Davis belong to pioneer families of Sam Valley and are well and favorably known. They now live at Henley California.

His Sight Threatened.

"While picking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison of his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever."

For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits. Chas. Strang.

Leister and Emory Davis, aged 6 and 8 years, were burned to death in a coal oil explosion at Klamath, Siskiyou county.

Thousands of People Killed.

Annually from catarrh of the kidneys and bladder. A peculiar acid is generated and set at liberty by this disease which permeates the blood, weakens and destroys its renovating power, and allows the system an opportunity to throw off this deadly until the poison is neutralized and expelled from the system. Brick dust sediments indicate uric acid poisoning. It is here that S. B. Catarrh Cure becomes of the most vital consequence, because unless arrested at this stage the disease makes rapid progress to an early grave. S. B. Catarrh Cure permeates every fluid of the body, cleanses it from all impurities and is the greatest uric acid solvent ever discovered. One bottle will convince the most skeptical of this fact. For sale by all leading druggists.

Book on catarrh free. Address Smith Bros., Fresno, Calif. For sale by Medford Drug Company.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. Chas. Strang.

A Necessary Precaution.

Don't neglect a cold. It is worse than a pleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. It cures inflammation, clears the head, soothes and strengthens the mucous membrane. Absolutely safe. Acts immediately. Children like it. Chas. Strang.

Counterfeiters are at work in San Francisco. The method employed by the counterfeiters is ingenious. Double eagles are gouged out in the center, neatly filed with alloy, the milled edges carefully put back in place, the work being so accurately done that detection is almost impossible. As much as \$5 worth of gold is taken from the coins in some instances. Secret service agents are very reticent about the extent of the fraud.
