Once in a while some one who has traveled to the very edge of the danger line of stomach disease stops just in time to save his health. But the majority of people go across the line, and slight symptoms of indigestion grow to disease of the stomach, involving the other organs of digestion and nutrition.

The first symptom of indigestion should receive prompt attention. Indigestion and other forms of stomach trouble are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the whole body by enabling the perfect digestion and assimilation of food.

"I have been suffering for about eight years," writes Mrs. H. Pierce, of Millsprings, Ky. "I had several doctors to treat me—some for female weakness and others for stomach trouble, but received no relief. When I wrote you for advice I was hardly able to work, and you advised me what to do. I began to take your medicine and the effects have been good. I was under the doctor's care every summer before this. I took nine bottles, five of 'Golden Medical Discovery,' four of 'Favorite Prescription,' also two vials of the 'Pellies.' Dr. Pierce's medicines will do all that you claim for them. Believe I would have been in my grave if I had not taken them."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.

FRUIT. Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

The government has sent an expedition to save the cargo.

DAILY NEWSPAPER ON BOARD LINER

New York, Feb. 23.—A daily newspaper that prints fresh news of the world is now a reality on an Atlantic ocean steamer. The Cunard liner Etruria arrived here last night after a rough voyage with a file of daily newspapers published aboard in which were printed a number of news stories received by wireless telegraphy. Passengers were enabled to keep in touch with the events of the world and although the scope of the edition was necessarily limited enough of the important news was printed to make the issues highly interesting to the readers.

It is expected that the liner newspaper will soon be perfected so that every morning in the saloon at breakfast a banker may learn of the previous day's doings on 'change or the society woman read the latest Gotham gossip.

TURKEY GETTING READY TO TRANSPORT TROOPS.

Constantinople, Feb. 23.—The Smyrna-Kassaba Railroad company has been instructed to prepare for the transportation of 25,000 Redifs to reinforce the third army corps at Salonica.

MISSOURI BANK ROBBERS IMITATE TRACY'S TACTICS.

St. Louis, Mo., Feb. 23.—Special dispatches indicate that Bill Rudolph and Frank Lewis, the Union, Mo., bank robbers, who were located in a cabin near Rich View, Ill., have again escaped and poses of citizens, in addition to that of Sheriff Howes, are being formed to pursue and capture them if possible. The entire community is in arms.

According to reports from communities through which the robbers have passed, they have adopted Tracy tactics, intimidating farmers and threatening to kill any posses that may be sent in pursuit of them. The men converse only with women and children, from whom all the details concerning them have been learned, except the general description given by a hunter who encountered them in the woods Friday.

They approach a farmhouse and, standing some distance away, call loudly until some one makes his appearance. If it is a man, they keep on talking to him until he comes up closer, and then they throw their rifles down on him and order him to leave the premises. Like Tracy, they accompany this order with a threat to massacre the entire family if any attempt is made to summon help. In this way they have obtained food.

At one farmhouse they found the farmer's wife and children alone. They ordered her to get breakfast and chatted freely while she was cooking the meal. All questions concerning themselves they parried. The man supposed to be Rudolph stood on guard while the other ate, and Lewis then acted as picket.

FLOOD CAUSED BY MUSKRATS

RESERVOIRS BURST, SENDING TORRENT THROUGH NEW ENGLAND TOWN.

Dorby, Conn., Feb. 23.—The breaking of three reservoirs in the town of Shelton yesterday caused damage estimated at \$100,000, and there were several narrow escapes from death.

A dam back of the reservoirs had been weakened by muskrats. This gave way and the mass of water and ice coming down broke the reservoirs. A flood thirty feet high swept through the town, carrying everything before it.

The torrent tore a great gulley 110 feet long and thirty feet wide through the town, carrying everything before it.

Street railway tracks and telephone and telegraph wires were all torn down and strewn about in confusion. The reservoirs will have to be rebuilt and this, with the property loss, it is believed will make the loss \$100,000. Several mills will remain idle until the gravel swept into the race way is removed.

GAUSSON MONOXIDE CLAIMS TWO MORE VICTIMS.

San Francisco, Feb. 23.—Henry O'Donnell, proprietor of a boarding house at 808 Kentucky street, smelted gas while he was standing in his bar room yesterday morning. He went to an apartment occupied by Patrick Devany and Axel Gutafson. The men were lying partly disrobed, on the bed. They were dead.

Carbon monoxide flooded the room. The key to the burner was turned half way around. O'Donnell thinks that Devany and Gutafson came to the house late Saturday night and that they were intoxicated when they decided to retire. It is his opinion that they thought they had turned the gas off and were suffocated by the escaping fumes while they slept.

GAUM LIFTED SIX INCHES BY SHOCK

Honolulu, Feb. 23.—Naval Governor Seaton Schroeder of the island of Guam arrived here yesterday and reports the occurrence of a severe and prolonged series of earthquakes whose violence may imperil, from the fact that they have raised the level of the island six inches. The temblors were accompanied by loud subterranean rumblings that resembled the roar of a cataract in flood, and reduced the natives to abject terror.

One effect of the earthquake has been to make travel from one part of the island to another almost impossible because yawning chasms are found everywhere across roads and trails which make them unsafe for pack animals and impossible for wheeled traffic.

SON SLAYS HIS FATHER DURING FAMILY ROW.

New Orleans, Feb. 23.—Peter Ferrell, one of the leading local Democratic politicians, was shot and killed by his eldest son, Edward, yesterday. The family claims that in a fit of ungovernable temper Ferrell attempted to kill Edward George, the eldest boy, for misconduct, and Edward took the pistol from him and fired three shots into his father's heart. The boys surrendered.

Paris, Feb. 23.—The ninth correctional chamber pronounced judgment in the libel suit brought by Mr. Cattani, a banker, against the Humberts, the notorious family of safe swindlers, acquitting them and ordering Cattani in costs.

RICH PLUNDER TAKEN FROM THIEVES.

New York.—Nearly 300 pieces of silverware which were stolen recently from one or more prominent families of Philadelphia were displayed at police headquarters Saturday, having been found by detectives in the possession of two colored burglars who are under arrest. The prisoners are Robert Williams and Arthur Kimball.

Change of Life

A Danger Period Through Which Every Woman Must Pass.

Owing to modern methods of living, not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms. At this period a woman indicates a tendency towards obesity or tumorous growths. Those dreadful hot flashes, sending the blood surging to the heart until it seems ready to burst, and the faint feeling that follows, sometimes with chills, as if the heart were going to stop forever, are only a few of the symptoms of a dangerous nervous trouble. The nerves are crying out for assistance. The cry should be heeded in time. Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life, and all women who use it pass through this trying period with comfort and safety.

TWO COLUMNS OF PROOF.

"DEAR MRS. PINKHAM:—I was sick and nothing seemed to do me any good until I began taking Mrs. Pinkham's medicine.

"It was change of life with me and falling of the womb. I had severe pains all through my body. I had a terrible cough and people thought I had consumption.

"I took six bottles of Lydia E. Pinkham's Vegetable Compound, and two of Blood Purifier, and two boxes of Liver Pills, and I am now stouter than I have been for a long time. I can do all my work now, thanks to Lydia E. Pinkham's Vegetable Compound.

"If any one wishes to write me, to verify those statements, I will gladly answer their letters.

MRS. CLARA CHEZEM, Jewett, Ill.

"DEAR MRS. PINKHAM:—For seven years I had been suffering, was passing through the change of life, and my womb had fallen; menses were so profuse that at times I was obliged to lie on my back for six weeks at a time, could not raise my head from pillow. I had been treated by several physicians, but got no relief.

"I was advised by friends to try Lydia E. Pinkham's Vegetable Compound, which I did, and after taking it six weeks I was able to be around all the time and do my household work.

work. I know your medicine saved my life and I cannot praise it enough."
Mrs. LIZZIE HOSCAF,
519 Smith St., Millville, N. J.

"DEAR MRS. PINKHAM:—I have worked hard all my life, and when the change of life came I frowed very badly for weeks at a time. I would stop for a day or two, then start again. I went to see a doctor and went through an examination, and spent two hundred dollars for medicine and doctor's bills, but I did not get the relief I expected.

"At that time I saw Lydia E. Pinkham's Vegetable Compound advertised and began its use. I have found it to be just what I needed.

"I wish every woman suffering from female trouble would try it. I recommend it to all my friends."

Mrs. WM. DAILY, Millbank, S. D.

"DEAR MRS. PINKHAM:—I feel it a duty I owe you and every suffering woman in the land to tell of the wonderful results I have found in using Lydia E. Pinkham's Vegetable Compound and Liver Pills.

"Passing through the Change of Life, some of the physicians consulted said nothing but an operation would save me. But your medicine alone cured me."
