A Matter of Health

There is a quality in Royal Baking Powder which makes the food more digestible and wholesome. This peculiarity of Royal has been noted by physicians, and they accordingly endorse and recommend it.

The dance and box social, given for the benefit of the school house ent location, the M. A. Houston fund, was a very pleasant affair, but owing to the extreme inclemency of the weather and the bad condition of the roads, there was not as many in attendance as usual, but those who did attend had a pleasant time. Those who nutricipated in his pass resulted in his pass resulted in his pass resulted in his al, but those who did attend had a pleasant time. Those who participate in such pleasures anticipate a good time next Monday night. It came near having to chronicle another fire in our neighborhood last week, as the roof of M. S. Woods' house caught fire and there was no one at home but his daughter a pail trict schoolhouses in Jackson county. Mr. Houston has been ably asty. Mr. Houston has been ably as-aisted by his wife in the postoffice, and during this time they have seen their children grow up around them. Grandchildren have clustered at their knees, and most of the fairly are settled near the old homestead, and all of them progressive and respected citizens of the com-

The first action when you have a cold should be to relieve the lungs. That is cost accomplished by the free use of Chamberlain's Cough Remedy. This Remedy iquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration, and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment and it leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia.
