SQUADRON DISAPPEARS.

Togo Reports Disappearance of Viadi-vostok Ficet.

Tokio, July 30.—The Viadivostok aguadron has disappeared and it is possible that its raid is over and that possible that its raid is over and that a it its beading homeward. The Pacific Mill company's scamplin Karea will be held at Yokohama and the steam ship Siteria at Kobe until froir safety is assured. The German mail steam allowed the company is using Kobe as a terminal for the transflipment of passengers and carea. sengers and cargo.

RUSSIA FILES PROTEST.

They Demand Ormanes for English Shipments of Contraband.

ondon, July 30.-Russia has filed against British shipments of contra-band to Japan. It is learned that the Russian government, since the begin ning of the war, has carefully watched the manufacture of goods intended for the used of the Japanese government, and as soon as it was established that such goods were about to be shipped to a hostile destination the facts were officially communicated to the British government, with the requirement. government, with the request that measures be taken to put a stop to it.
It is further asserted that in many cases the government has not taken action, and it is understood that when the war ends Russia proposes to pre-sent a bill for damages to the British government which will offset the in

government which will offset the in demnities claimed for the selsure of British steamers.

It is also issued that Rossia does not intend to hastes the settlement of the rolunteer feet to pass the Dardanelles since if negotiations on the subject were conducted at this time, as desired by Great Britain, Russia might be forced by the existing situation to great concessions she would afterward regret.

WARSHIP OHIO READY FOR TRIAL

for Clear Weather.
Sauta Barbara, July 30.—The bat-tleship Obio, which is to hold her of-ficial trial trip in Santa Barbara channcial trial trip in Santa Barbara chan-nel, arrived from Ban Francisco yes-terday at \$129 o'clock and anchored two miles of shore, it had been ex-pected that she would reach this port at 5 o'clock in the morning. The cause of the delay was sot made known. The Ohio is surrounded by a small deet, comprising the gunbost small deet, comprising the gunboat Annapolis, the toreodo boat destroyer Paul Jones, Preble and Perry and the government tigs Fortune and Una-dilla. No attempt will be made to make trial trips before Monday, be cause of a very heavy fog hangins over the channel a few miles from shore.

PURBUED BY FIER FIEND.

Two Incendiary Fires in Santa Ross Cause Heavy Loss.

Cause Heavy Lose.

Santa Ross, July 30.—Twice in twenty-four bours fire visited Henry W. Ungewitter's possessions, and there are strong suspicious of incendia. Jam. Thursday his barn was burned and his home narrowly escaped, a valuable horse lost its life said there were other heavy losses, with no lineurance. Two young men narewly escaped with their lives. Frifay fire was discovered near the Ungewitter mest market but the blaze was extinguished before material damage was done. Had the fire gair, oif headway very serious loss might a ver hear inflicted in the heart of he business section. business specion.

BURNING OF HOTEL LYNN-WOOD, SAN FRANCISCO.

San Fracisco, July 30,-Flames and smoke swent through the Lynwood, s six-story building, at 18 Mason street yesterday, driving the inmates to the stairs and fire escapes. Heroes were ready to risk their lives for the im periled, and after many a thrilling scene had been enacted all hands were saved, although some of the res will be nursing burns for many

tor boy, ran his machine to the upper floors to arouse the lodgers, knocked floors to arouse the lodgers knocked at the door of a cripple, was close pressed by the flames, and escaped only after he had hung for ten minutes from the ledge of a six-story window. For minutes at a time he was hidden by clouds of smoke and toward the and the flames almost lelked his the end the flames almost licked his hands, but he clung fast and finally a rope reached him and the firemen hoisted him to the roof. Mrs. D. Harkins of Nevada City was

overcome by smoke. Fireman William P. Sawyer climbed up a stand ilam P. Sawyer climbed up a stand-pipe, swung on the fire-escape, reach-ed the prostrate woman and brought her down to the sidewalk. Then Saw-yer went back and rescued a man and a woman who lay suffocating in a smoke-filled hall. Miss Neille Alex-ander hung from a window on the fifth floor until a fireman came to her relief. Phil McSweegan, employed by harshar alam commany, anyad s a burgiar slarm company, saved a woman from the top floor. T. J. Dwy-er, who used to be a fireman, couldn't resist the old impulse, and rushing into the burning building saved N Attell, a cripple, from death. Heroes sprang up for every emergency, and but for their efforts half a dozen per

ple might have lost their lives.

The greatest damage done by the flames was in the fifth and sixth floors, although all the floors were flooded with water. J. A. McPhee, proprietor Lynhood hotel, estimates his loss at \$7000 Living and \$7000 Living and \$7000 Living at \$7000 Living and \$7000 Living at \$7 insurance. The damage to the struc-ture is estimated at \$15,000. The Peerless Awning and Tent company-lest stock and machinery valued at \$2000. Another \$1000 will cover the losses of the inmates, making a total of \$25,000.

SOCIALISTS APPLAUD CRIME.

Russian Socialists Declare it Their Duty to Assist Russian Brethren. Berlin, July 30.—The Social Demo crats held a meeting last night to receive a report of Herr Liebknecht, the counsel for the Social Democrats

who were tried recently at Koengs-berg on the charge of sending an berg on the charge of sending an archistic literature into Russia. Four thousand persons, including many Russians, attanded. After reviewing Russians, attended. After reviewing the trial, Liebknecht declared it was the duty of German Socialists to assist their Russian comrades, and said that he would neglect no opp send them printed matter

send them printed matter.

Liebknecht spoke in the harshest terms of the late Russian minister of the interior. Von Piehve, characterizing him as the "eloodhound of Vina. whose hands are solled by the blood of hundreds of thousands of working

There was prolonged applause when the speaker declared that he saw Rus-sians embrace, kiss and weep for joy when they heard the news of the min-ister's assassination.

BUSINESS MAN TWICE DEPORTED Denounced Governor Peabody and His

Denounced Governor Peabody and His Military Subordinates. Orippie Creek, Colo., July 30.—Pat-rick McCarvel, one of the men who were deported to the Kansas line by the military in June, returned to Victhe military in June, returned to Victor, where he owns property, including a large hall and business block valued at \$25,000. When McCarvel disembarked from the train he was taken in charge by Major H. A. Naylor, acting city marshal. McCarvel was allowed to attend t some business and star and was placed on board the first outgoing trais with a warming that in future police protection would not be afforded him about he again return. McCarvel was origing the star of the first outgoing the star of the first outgoing train with a warming that in future police protection would not be afforded him about he again return. McCarvel was origing the star of the star o naily deported for openly expressing sympathy with the miners' union and denouncing acts of Governor Peobod; and his military subordinates.

The real end of the fight came in the eighteenth round. For three peri-ods preceding Nelson had been per-sistently cutting Eddie about the face and head with short-arm punches and uppercuts. The California boy with-drow into his crouch and the Dane pierced that defense; the California lad danced around the ring with his guard open, and the Dane followed him with awings that connected and stung. Finally, just before time for stung. Finally, just before time for the bell in the eighteenth, the Dane came in closs and threw up to Eddie's in a right hook.
Ifanion was staggered. He clutched

desperately at Nelson and hung on. Not waiting for the break to be made Roche, Nelson shoved Then it was that Nelson naw, and the crowd saw and knew that Eddie Haulon, the Pride of California," was a beaten boy. Fod instead of setting himself for another assault Eddie fell ignominously to a heap on the floor

Standing over the bruised and bat tered fighter, the referee called the count to nine, and as the dazed youngster staggered to his feet the gong sounded and there came a much need ed period of rest.

fu the tense, nervous excitement it he tense, nervous excitement it was not for some moments that the crowd realized what had happened. Men had climbed to their chairs and fore standing, wild eyed and hatless, uncertain as to whether the end of the round had come, or, what some of them feared more, the end of the fight.

Wise old Billy Delancy leaned over thanks, and applied restorations.

Hanlon and applied restoratives. Nelson's corner Ted Murphy was talk-ing coolly and collectedly to the boy he calls affectionately "The Great Dana." And then the sixty seconds were up and there came the ring of the gong.

Hanlon never got to the center of the ring. Like some wild prey, Nelson sprung from his corner with a bound and rained blows about his opponent's face and head. little Eddie Hanlon trying always, could do nothing but cover up and take the punishment. With his hands before his face in

With his hands before his face in that crouch so familiar to San Fran-sisco fight followers. "the pride of California" was buffeted about the ring like a crippled boat before an all

powerful storm.
Referee Billy Roche looked appeal Referee Billy Roche looked appent ingly at Trainer Billy Delaney. The crowd yelled "Stop it! Stop the fight!" men who had wasered Handen money joining in the cry. And still Delaney made no move. And the look has been the beauty of the look of the than half a minute before the end of the period, the belated bowel was thrown tato the ring and it

LEAKING GASOLINE CAUSES FIRE San Diego, July 30.—Pire in the Roxbury building in this city yester day came near causing the destruction of the block. A leaking gasoline tank eaught fire while a reservoir was be eaught fire while a reservoir was being filled.
