

Good Health to the Children

Children especially are fond of dainties, and the housekeeper must look carefully to their food.

As good cake can be made only with good eggs, so also a cake that is healthful as well as dainty must be raised with a pure and perfect baking powder.

Royal Baking Powder is indispensable in the preparation of the highest quality of food. It imparts that peculiar lightness, sweetness and flavor noticed in the finest cake, biscuit, doughnuts, crusts, etc., and what is more important, renders the food wholesome and agreeable to young and old.

OUR COUNTY Correspondents

Eagle Point Eagles.

BY A. C. HOWLETT.

Mr. and Mrs. Wm. Knighton went to Ashland last week to visit friends and take a little recreation.

Mr. Damerest, of Tola, called on your Eagle Point correspondent last week. He is soliciting for a book concern.

Married—At the residence of the bride's parents, by A. C. Howlett, J. P., January 4, 1905, John R. Smith and Miss Rosie Mayham.

Prof. V. A. Davis, of Portland, was a guest at the Sunny Side hotel one day last week. He was here looking for a location to teach school.

Mrs. O. B. Walker, mother-in-law of H. C. Mackey, of Medford, came out last Saturday, to visit Mrs. Howlett and other friends in Eagle Point.

Miss Hattie Cincade, who is attending school at Ashland, came home before Xmas and has been afflicted with a bronchial affection for sometime, but returned to her studies last Monday.

Miss Laura Ayers, who is attending the commercial school at Ashland, came home to visit her parents during the holidays. She and her sister, Miss Julia, were pleasant callers on Mrs. Howlett one day last week.

Walter Moore has moved his family to town and is to take charge of the blacksmith shop used by his father, the late Harry Moore. He received a cordial greeting and we expect to see him succeed in his undertaking.

David Zanon, the man who was lost last week, near Mt. Pitt, and for whom search was made by about all of his old neighbors, was found last Sunday about four miles from his home. The wild animals had eaten into his face, so as to disfigure him very much. Monday morning A. J. Daley sent a casket to his home for his interment.

J. J. Fryer was a pleasant caller last Tuesday morning and reports having just returned from a trip to Forest creek and Applegate, where he has been visiting his son-in-law, Floyd Pierce, and family, and the Camerons. Some of his old associates of a half century passed. He reports that Floyd Pierce, he who was so badly hurt in a runaway in Jacksonville last summer, is regaining his strength and will soon be able to attend to his regular duties.

That headache mentioned in last week's Mail with which your Eagle Point correspondent was suffering, perhaps, was caused by Xmas excesses in eating, if not in drinking. Yes, he ate at his daughter's in Sterling and took Xmas dinner and of course had to take oyster soup, turkey, mince pie, coffee and then to top off with just a little piece of fruit cake, and if that was not enough to give a common old hayseed the headache I confess that I am at a loss to tell what would, but as for the usual compounds that are used on Christmas that produce the headache and generally the heart ache, no thank you, I never touch.

W. T. KINNEY.

There is seemingly an epidemic of colds or la grip going the rounds in this section.

The shooting match at Gustoph Peck's last Sunday was attended by a good crowd. Thirty people turned out to try their skill with the rifle.

David Cincade went to Eagle Point from his mountain ranch on upper Butte creek. He reports his stock in that section ingood shape.

Mr. and Mrs. John Terrill, Jr., returned home from Medford recently, where they were visiting Mrs. Terrill's parents, Mr. and Mrs. Dodge.

Your correspondent's little three-year-old daughter, Ruth, has been dangerously ill with bronchial pneumonia and an abscess in the left ear. She is convalescent now. We trust she will soon recover.

David Zanon, who was lost in Salt creek mountains, was found dead last Sunday, in about two miles of home. Wild animals had eaten his face, disfiguring it so that it was almost unrecognizable. He had pulled his coat off and left it some distance. He had also pulled off one of his boots and had traveled some distance barefooted. He was found near what is called the Marlow camp, on Salt creek. We all join the bereaved brother in mourning the loss of David, for he was a generous, good fellow and a prosperous and accommodating stockman. He will be greatly missed by his brother and many friends. Wm. Neusom and Chas. Seefeld and some one else found the dead man.

CARD OF THANKS.

We wish to express our thanks to our kind neighbors for their hospitality in helping us take care of our sick baby. We feel very grateful to them for the many favors which we received.

MR. and MRS. W. T. KINNEY.

No More Stomach Trouble

All stomach trouble is removed by the use of Kodol Dyspepsia cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet your self when taking Kodol Dyspepsia cure. J. D. Erskine, of Allentown, Mich., says, "I suffered heartburn and stomach trouble for some time. My sister-in-law has had the same trouble and I was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol dyspepsia cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief."
