CITY HAPPENINGS.

A couple of Medford's new citizens found Sunday that the world was pretty nearly as large one way as another. They took a stroll out along the P. & E. track to the edge of the desert and then a little beyond and thought they were out in home town on a new route. Pretty soon they ran into a lot of sticky about the light consistency to stick and moughed through that for a some distance finally emerging upon a good road and shortly perceived glimpses of a town through the trees. They much surprised, supposed the city to be Medford and thinking they had reached it much sooner than they supposed possible, but in wasn't Medford but Central Point and they were still nearly as far away from home as when they first turned back. It was four o'clock in the afternoon before they reached home, tired, hungry and each one swearing the other was a mighty poor guide.

30 sewing machines must be sold to make room for our new stock. White \$10, Singer \$15, New Home \$12, Wheeler & Wilson \$5, and \$15. Domestic \$10. Call in and see them. M. Elwood's Jewelry store.

The Pythian sisters gave a Valentine social for the children of the families of Pythian Knights on Friday evening of last week. There were forty five children present and about thirty grown persons. The amusements were a variety of games, a valentine postoffice, an arrow shooting contest, a hunt for

candy hearts, bean bag throwing and a number of other similar amusements. Refreshments were served—these consisting of ice cream, cake, nuts, popcorn balls and punch. No person has reason to doubt but that the youngsters had a good time—those present surely have none and those who dropped in at the close of the "doings" were quite as fully convinced. Next time the Pythian Sisters have promised the boys and girls that a picnic will be theirs for a good time. They will need, however, to have the picnic grounds enclosed with a rabbit proof fence.

Good, dry wood for sale. Call up phone 70, or E. N. Warner's grocery store.

Several lots near the Pacific & Eastern junction with the S. P. have been placed on the market this week at reasonable prices. The prospects for industrial development in that end of town are among the best. There will likely be a cannery established there this year, and as soon as the lumber commences to move from the Butte creek and upper Rogue river sections, there will be more than one manufacturing plant started here.

For sale by owner—A small piece of good land close to town. A house and lot in Medford, with sewer connection, also vacant lot. Address postoffice box, 254 Medford.

Some one of burglarious tendencies, but evidently without much experience in the art, entered Wortman & Gore's meat market Sunday night, by cutting out the screen from a side window. They attacked a till underneath the counter, smashing the front of the drawer, but failed to find anything of value. An attempt was made to open the cash register, and here again, the inexperience of the burglars was shown, for they were unable to work the combination to open it. The only thing Wortman & Gore are out in the screen and they would have needed a new one soon anyway.

For Sale—A few good horses and different kinds of wagons and rigs. Call at West Side Brick Stable.

Manager Perry, of the Fruit

Growers Union, loaded a car of Ben Davis apples for shipment Thursday. The ladies of the Greater Medford Club are all expected to be in attendance at the regular meeting of the club which will be held at the Commercial Club rooms on Monday afternoon, February 24th. It is important that every member be present. Your attendance is especially desired because that there will be matters of great importance to be discussed. These Greater Medford Ladies are meeting with all kinds of success with their library fund—so much so that it is not improbable they will endeavor to swell the amount of money deemed necessary at first to a greater amount—and they may decide upon taking up other matters which will boost Medford. Whatever business comes before the meeting it will be important and every member will want to be there. At a previous meeting several of the members agreed to raise, personally, certain sums of money, and it is presumed they have the amounts raised, however, it is desired that these ladies come prepared to report—and bring the amounts with you. My, but those ladies do rattle things when they get the notion and the notion is sure enough theirs in this Public Library matter. What will they go after next? It will not matter much what the undertaking may be, it is just as surely accomplished as it is undertaken. Every body takes their hats off to the ladies of the Greater Medford Club.

Farconr, the pure-bred Black Percheron stallion will be in Medford after March 1st for the season.

A Medford Lady:—Just before last Christmas I lost a fur muff. Now I say lost it well, that is true, because it is up to this time lost to me. But in reality I think I left it either in the Methodist church or in some store. I do not think any person who may have found it is keeping it because they want it for themselves but because they do not know to whom it belongs and consequently cannot return it. I would be very much pleased if it was to be left at The Medford Mail office—and receive reward.

Talisman Lodge, K. of P. entertained some fifteen members of their brethren of Granite Lodge, of Ashland, last Monday evening. Work was had in the second and third degree, and the visiting members assisted in giving the candidates a lively realization of trials through which they must pass in order to become full fledged members of the order. After the candidates—Ray Branch in the second, and Sidney Brown in the third degree—had been successfully disposed of, refreshments were served and a period of social enjoyment was had.

Silver plated trocars, for use for relief of cows when bloated, for sale at the Rogue River Creamery, Medford.

The members of the G. A. R. Post and the Womens Relief Corps enjoyed a very pleasant time at their hall on Wednesday evening of this week. There were between fifty and sixty persons present and the evening's amusements were music, a general social time, and refreshments. If the young people of this locality imagine for a moment that these older ones do not have a jolly good time at these gatherings they have but to look in upon them and be at once dissuaded.

Madames Vogell, Boswell and Clay will do dress making. Corner Eleventh and L streets.

On another page of today's Mail appears the big advertisement of the Hodson Automobile Co. Mr. Hodson's reputation as an honest man need not be reiterated here. That he is honest everybody knows and that he handles only honest and serviceable goods is also an established and undeniable fact.

Every lady in Medford should see that Haviland now on "special sale" at Roberts & Reagan.

There is surely a good bit of business doing in timber land in Southern Oregon, according to B. H. Harris. He tells that during the month of January, last past, he sold \$30,000 worth of this land, and since the financial flurry last fall he has brought to the Medford banks over \$150,000 as a result of timber sales which he has made.

Royal Stamp of Success

Clarence Bennett's attractions are to well and favorably known in Medford that it is with great pleasure Haezrigg & Williams, managers of the Medford opera house, announce the coming of one of their standard successes, "A Royal Slave" which is booked to play here Friday, February 21.

The author who wrote that other phenomenal success, "The Holy City", has chosen for the action of the piece the most romantic period in the history of Mexico, the brief reign of the unfortunate Maximilian. The character of Agullis, the descendant of the Montezumas, the last of a race now extinct—is a poetic creation which appeals to our imagination. The other characters of a long and interesting cast are equally strongly drawn. The specialties introduced by the comedy element are strictly in keeping with the atmosphere of the surroundings and the bit of sword-play in the duel scene, second act, is as pretty an exhibition as one could witness.

STRANGERS' SUNDAY HOME.
First Baptist church: Why do we call this church the "Strangers Sunday Home?" It has named itself for the crowd of strangers that find the church each Sunday for the purpose of worship is always large. It is hard to say which was the most interesting service last Sunday for Mr. Hiedsoe's message was much appreciated. He spoke on "A Good Soldier of Jesus Christ." But the Bible school, which has also named itself "Shortie's Successful 'Sunday School'" was also interesting. The attendance was far above any yet in the history of this church. This means growth. INTERESTING REVIVAL SERVICES

An interesting revival is now in progress at this church. Soul-stirring sermons by Evangelist Van Meter and excellent music under the leadership of Prof. Gray every night. The sermons are characterized by thrilling incidents, graphic portrayal and earnest appeals. Souls have been blessed and professors of religion have taken higher ground; if persons will not accept Christ under such powerful appeals as Rev. Van Meter makes when will they enter the Kingdom? "Harden not your hearts" says the word of God. Now is the accepted time. Preaching every night. Day meetings every afternoon 2:30, excepting Monday and Saturday. A meeting exclusively for men at Angle's opera house next Sabbath at 3 p. m. Don't fail to attend these meetings.

Quality in Flour

Ma says: "A kind word thrown at a husband will go farther toward a new bonnet than a rolling pin will." That's where she's wise. Pa thinks there's no one like Ma, because she knows how to put a good square meal on the table. When we came to Medford Ma hunted around for the best place to trade. When she came across Miller & Eubank, she said: "If I could only get Willie (that's me) with a house like that, half my worries would over." Well, I'm it, and most of our groceries and provisions come from this store, also Medford flour for bread and cakes. You won't have much use for a rolling pin in your family if you buy our Webb Foot flour for bread and rolls, also pies and cookies. Loaf and layer cakes, too. That's a kinch.
