It is sometimes said that there are no American sailors anymore, but the facts of official record prove not only that there are American sailors, and good ones, in our merchant marine, but that their strength is gradually increasing.

FROM COUNTY EXCHANGES

Ashland Tidings:

Miss Blanche Logan is at home in Ashland after an absence of three years the latter two of which has been travelling throughout the United States and Canada with the Baird theatrical company, playing a leading role and scoring a marked success in the profession. Miss Logan hurried home on the receipt of the news of the serious illness of her grandmother, the late Mrs. B. F. Reeser, but was in Canada when the telegram reached her, and she was greatly depressed on arriving home to find that she was too late to see her relative.

Some one fired a shot through a window in the smoking car of southbound train No. 13. As it passed the 429 mile post a little more that two miles out of Ashland yesterday afternoon. A passenger in the car reported to the railroad officials that he saw the man who committed the act standing in the door of a shack near the track when he fired. Fortunately the bullet did no material damage. The affair was reported to the police authorities of Ashland who with special detectives of the company are investigating the matter. It is reported that while making the rounds last Monday evening, a trackwalker found several ties wedged between the rails, about a mile and a half south of town, forming an obstrucion sufficient to cause a wreck. No clue to the perpetrators has been found, the enormity of whose offense places them beyond the pale of ordinary criminals.

Gold Hill News:

It is reported that the Harms Mining Co., who are the owners of the Blossom mine, on Sardine creek, are contemplating the building of a stamp mill on their property. The managers of the company have had the matter under consideration for some months, but owing to the late financial panic the matter has been held in abeyance for some time. No details of the matter have been given out, but the fact that the Condor Water & Power Co. are contemplating a power line up the creek lends much color to the report. The Blossom is one of the best properties in this district and we would like to see a mill erected on the property as it would mean a great deal to the Sardine creek country.

Fred Riedel was in from Galls creek Wednesday afternoon. Mr. Reidel informed a News reporter that he has just finished installing 450 yards of steel wire fencing around his place. He will begin in a few days planting 300 more fruit trees in his orchard. The new trees will be Newtowns, Spitzenbergs, and Comice pears. Mr. Riedel already has a five acre orchard on his place and with the new trees that he is now planting he will have an orchard of about 12 acres.

Central Point Herald:

J. R. Botorff and a number of associates have filed a large number of quartz claims in the Galls creek district. The district gives promise of great riches when developed and is likely to receive much attention during the coming season. Mr. Bottorff is a live mining man of wide experience and his advent into this section will mean much to the mining development of this part of Southern Oregon.

The Odd Fellows goat was busy again last Saturday night and a class of four initiates took a try at riding the bewhiskered quadruped. S. C. Minnick was the senior member of the class and it has leaked through the keyhole that he gave some of the younger members cards and spades and then beat them riding "straight up". Jim Grieve, Guy Tex and Frank Caldwell were the other members of the class.

SHERIFF'S SALE.

In the Circuit Court of the State of Oregon For the County of Multnomah

Mary J. Flanigan, Plaintiff
vs
Charles N. Wait, Defendant

By virtue of an Alias Execution issued out of the above entitled court, in the above entitled action to me directed and dated October 17th, 1907, upon a judgment rendered and entered in said Court on May 22nd, 1896 in favor of plaintiff and against defendant for the sum of $364 40 together with $35.50 costs and interest thereon since May 22nd, 1896, at the rate of 10 per cent per annum, commanding me to levy upon and sell such personal property of Charles N. Wait, or if sufficient cannot be found, then out of the real property belonging to said defendant, as might be found in Jackson County, Ore, in which defendant has interest or estate at or since March 20th, 1899, at which date a duly and prepared transcript of judgment lien was filed in Jackson County, Oregon. That the alias execution now in my hands recites the fact that an execution has heretofore been issued on said judgment under date of May 19th, 1906, directed to Sheriff of Multnomah County, Ore. Said Sheriff returned same to Clerk of Court unsatisfied under date of May 19th 1906. That said execution further recites the fact that the records show an assignment of above judgment before described, by plaintiff to Victor Land Co. under date of October 15th, 1907, which assignment was filed October 16th, 1907.

That by virtue of the execution heretofore described, I did on the 20th day of January, 1908, duly and legally levy upon all interest, right or title Charles N. Wait had in or to the following property March 20th, 1899 or that he may have acquired thereto since that date:

Section 36, township 37, South of range 4 East, Willamette Meridian; Section 36, township 34, South of range 2 East, Willamette Meridian and the Northwest quarter; the West half of the East half; the Northeast quarter of the Northeast quarter; the Southeast quarter of the Southeast quarter and the North half of the Southwest quarter all in Section Sixteen (16) in township thirty-nine (39) South of Range Three (3) East of Willamette Meridian in Oregon: Also all of Section Sixteen, 16, in Township thirty-six (36) South of Range Three (3) East of the Willamette Meridian in Oregon; Also, the west half of the Northeast quarter of Section Sixteen (16) in Township Thirty-eight (38 South of Range Three (3) East of the Willamette Meridian, all of the above lands being situated in Jackson County, Oregon.

That the levy and sale is made to satisfy the balance on said judgment for which the hereinabove described Alias Execution was issued.

Now, therefore, by virtue of said execution levy and in compliance with the commands of said writ, I will on the 24th day of February 1908, at 10:00 a. m. at the front door of the County Court House, Jackson County, Oregon, sell at public auction, subject to redemption, to the highest bidder for cash in hand all the right, title and interest Charles N. Wait had in or to the above described property March 20, 1899, or which he may have since acquired, or any part thereof, to satisfy said execution.
