A lot of people worry about unblanketed horses on a cold day and never give a thought to unfed and unloathed children.

A New York physician takes a column to express his opinion of the grip. We could do it in a half dozen lines, but our respect for the \$4,000 Linotype machine prevents.

The youth who was smoking a cigarette near the monkey's cage took another one from his pocket. "Would it do any harm," he asked, "if I should offer him one of these?" "Not a bit," responded the attendant. "He wouldn't touch it. A monkey isn't half as big a fool as it looks."—Chicago Tribune.

FROM COUNTY EXCHANGES

Gold Hill News: A. E. Stevens, of Santa Barbara, Calif., this week purchased the Mrs. Swinden property, on hanes creek, consisting of seven acres, for \$1200. He also purchased ten acres from Mrs. Price for \$750. The property purchased from Mrs. Price is directly across the road from the Swinden property and the joining of the two tracts will make Mr. Stevens an excellent piece of property. Mr. Stevens has been in Gold Hill for the past week contemplating buying land, and he became so well pleased with the country that he purchased this tract.

Married—In this city, Saturday evening, March 11, 1905, John J. Ritter and Miss Bessie Cook, both of this city. The newly married couple are both well known in this city, and their many friends are extending congratulations. The bride is the only daughter of Mr. and Mrs. W. A. Cook, of this city, and has grown to womanhood in this city and has a host of friends. Mr. Ritter is the proprietor of the Gold Hill Wood yard and is one of Gold Hill's most substantial citizens. They are now domiciled in their new home in Riverside Park.

Good For everybody. Mr. Norman R. Coulter, a prominent architect in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter, as a blood purifier it is unequalled. 50c. at Chas. Strang's drug store.

Business was practically suspended in Ashland this afternoon and stores generally were closed while business men, clerks and everybody shouldered spades and shovels and joined in the work of planting shade trees along one of Ashland's already attractive streets, the Boulevard, from the Congregational Church corner to the State Normal School. The ground has already been prepared in part and the work of placing the trees was taken up merrily at 10 o'clock this afternoon by the volunteer force under the direction of J. E. Young, chairman of the committee having the commendable project in charge. The distance covered is about a mile and a half and a total of 300 thirty trees, largely maple and elm, were set out.
