Klamath County News.

Klamath County News.

Klamath Falls Express:

Jay Arant was arrested yesterday on a warrant sworn to by Clarence Harris charging him with stealing a calf and was bound over to the June term of circuit court under $1000 bonds which were immediately furnished. A ten cent piece buried in the neck of the animal by Harris supplied the means of identification.

Jas. Ingraham, the man who is alleged to have beaten his daughter, Eva, unmerciful, tried to recover possession of her through habeas corpus proceedings before Circuit Judge Benson Tuesday afternoon. Ingraham being represented by Attorney Brower. County Judge Griffith sitting as a magistrate in the juvenile court, had Ingraham and his daughter before him last Friday and decided to send the latter to the reform school. It was intimated to Ingraham that if he did not consent to this proceeding evidence of a damaging nature against his daughter would be brought out and he seemes to have tacitly assented to her commitment to the reformatory. Since that time, however, he seems to have changed his mind, hence the proceeding to recover possession of his child.

The barn belonging to Mark L. Borse was burned to the ground and his residence only saved by hard work on the part of the volunteer firemen of this city, Tuesday afternoon. A high wind was blowing from the southwest, and this fact greatly aided the firemen in their efforts to confine the blaze to the stable. There was no stock in the barn, and only a small quantity of baled hay which held the fire for some time. The fire probably originated from a burning rubbish pile nearby. The children in the public school, just across the street, were marched out in one minute, Prof. Dunbar having given the alarm as soon as he learned of the proximity of the fire. The fire Tuesday again emphasized the need of adequate fire-fighting apparatus. The boys did noble work, but, had there been no wind, the resulting damage would have run into the thousands of dollars, had the fire been on Main street, with Tuesdays wind, the fire department would have been absolutely helpless.

Klamath Falls Republican:

Since February 10, when the tax roll was turned over to the sheriff, there has been paid into the county treasurer for taxes nearly $100,000. The total taxes are $143,000, and this leaves only about 30 per cent to be collected before April, when they become delinquent. The city taxes this year amount to nearly $9,000.

Dr. J. B. Hall is visiting in the city from Langel Valley. Dr. Hall is about 80 years of age, and has been a resident of Klamath county for over 30 years, although he spends some of the time with relatives in California. He is as erect and active as a boy, and the years seem to have been kind to him. Although he does not practice his profession now, the old residents of the county have great faith in his skill.

S. L. Bennett, one of the leading fruit growers and business men of Rogue River Valley, who has been visiting at the home of his daughter, Mrs. H. F. Swingle, departed last Friday for his home in Medford. Mr. Bennett is very much interested in Klamath county and foresees a great future for this country.

Death Was on His Heels.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Chas. Strang's drug store. 50c and $1.
