#### School Notes.

The Freshmen entertain the incoming eighth grade at a reception this week Friday. The eighth grade promotion exercises occur at the opera house next Monday evening. Final examinations begin next Monday May 25th and continue through the week. The Juniors will entertain the

Seniors Friday evening, May 9th, which will be the closing exercises of the school year.

The annual Baccalaureate sermon will be preached at the opera house next Sunday morning at 11 Rev. Williams officiating.

Senior Class Day exercises Wednesday evening, May 27, and commencement Thursday evening, May 28th, at the opera house. Hon. B. F. Mulkey will deliver the address.

The Lyceum Course was not a success financially this year. There is deficit amounting to over \$100. There is a possibility that a part of this amount will be cancelled by the bureau. The proceeds if any were to be added to the piano. There is no provision for meeting a deficit except that Supt. Signs, who has conducted the course or three years will adjust the losses.

The eighth grade examination was held Thursday and Friday of last week. Half of the class passed with good grades, half of the remainder will have to write one or two subjects in June. Four fifths of the class may reasonably expect to secure the coveted diploma, which is a good showing considering the fact that many students who entered late and have been irregular. At least 95 per cent of these regular in attendance who have been in school during the year will be successful.

—Mrs. E. E. Gore Teacher of Piano and Voice. Special summer classes in harmony and theory now forming. Night reading ensemble playing and rental work

## TO REPUBLICAN VOTERS

AN OVERWHELMING majority of Oregon's voters by registration have formally declared that they believe in the principles of the Republican Party. Let them now show that they are honest by voting in accordance with their declarations. The Oregon election comes before the Republican National Convention. Let every Republican voter in the First Congressional District uphold the honor of the Republican Party in Oregon and strengthen the influence of Oregon's delegation in the National Convention by voting for H. M. Calk for United States Senator and W. C. Hawley for Representative in Congress. If either of these Republican nominees fail of election the primary election system will be discredited and a return of boss rule will be invited. The good name of Oregon's voters will be smirched and Oregon's delegation to the National Convention will be placed in a humiliating position. For the effect it will have on the November election it is imperative that the Republican nominees in the June election shall be elected by an overwhelming majority. As a believer in the principles of the Republican Party it is your duty to be at the polls June 1st, and vote for Calk and Hawley.
