Death of Ex-President.

(Associated Press Dispatch.)
 PRINCETON, N. J., June 24.--Grover Cleveland, twice president of the United States, died at 8:40 this morning at his home in this town, where he has lived since his retirement, almost twelve years ago. When death came there were in the death chamber Mrs. Cleveland and Drs. Bryant, Lockwood and Carnochan. An official statement given

out by the physicians give heart trouble, superinduced by stomach and kidney ailments of long standing, as the cause of death.

News Comes as Shock.

The news of Cleveland's death came as a shock to the people of Princeton, as it did to the people in the rest of the world. All knew he was sick, but none seemed to realize that the end was so near.

It was not until late in the day that messages of condolence began to come in from all parts of the world. Among the first was one from President Roosevelt, who will attend the funeral, which will be held Friday afternoon.

Funeral Quiet.

In deference to Mr. Cleveland's wishes, the funeral will be as quiet as possible. Cleveland's body will be buried in the Princeton cemetery in the family plot, where lies the body of Ruth, the eldest of the Cleveland children.

Telegrams of condolence came in by hundreds from all parts of the world. Few of them were read by Mrs. Cleveland, who decided not to attempt to learn their contents until she recovered from the shock of her husband's death.
