

Correct Glasses Correctly Fitted

Notice the difference in the way the rays of light pass through the OLD style lens and the new TORIC glass.

When looking through the TORIC lens you get the same vision clear out to the edge of the glass, in all directions, that you do ONLY through the center of the old-style of lens, thus giving you more freedom of vision without the strain upon the Rectus muscles, which constantly operate when wearing the old-style glasses.

With the old-style before the eye you see like this.

With the new TORIC lens you get the same results at all angles without turning your head that you do directly through the center of the old style.

Dr. Goble makes a specialty of the above lenses; also fits the I-SIGHT bi-focal, ground from ONE piece of glass. Optical Parlor in Perry's Warehouse, Seventh Street, Medford.

EAGLE POINT EAGLETS.

(By A. C. Howlett.)

George Brown, of the firm of George Brown & Sons, has returned from his visit to Illinois.

Mr. Shultz is stopping at the Sunnyside and planting trees on a ten-acre tract formerly owned by the late John Williscroft.

Miss Ollie Feister commenced teaching school in the Black schoolhouse last week. She has eight pupils in attendance.

Pike Monrey and wife, formerly of Jacksonville, but now of Coos Bay, are here visiting Mrs. Monrey's mother, Mrs. Art Thomas.

The Ladies' Aid society has been having some much-needed work done on the church at this place, greatly improving its appearance.

Rev. Jones, a friend of Claud Wamsley, from Coquille, stayed Monday night here and Tuesday they went out to look at the country in the hills.

Last week I made a trip to Round Top and found the roads in horrible shape, as they have not been worked since the Round Top mill was burned.

C. M. Baldwin and wife were here from Santa Cruz county, California, looking for a place to locate. They seem to be favorably impressed with the surroundings here.

John Isell has been putting additions to his building and getting his home fixed up quite comfortable.

At Round Top Jeff Conover killed a large cinnamon bear.

Rev. M. C. Davis accompanied A. C. Howlett to the Black schoolhouse last Sunday, where I preached, and in the afternoon he preached at Reece creek and at night in Eagle Point, on Monday eve at Derby and at Butte Falls on Tuesday night.

Last Friday night, Professor Alvin B. Hedges gave an entertainment. He had a good audience and his recitals were highly satisfactory. The receipts for the evening were \$14.60, and after deducting his expenses, gave half to the aid society.

Monday night Messrs. Zimmerman, Erangburg and MacIntyre arrived at the Sunnyside hotel on their way to Derby, where they expect to remain for a while. They are all looking for homes. They brought their household goods with them and four horses, and came to stay.

Messrs. John Ednberg and A. B. Zimmerman, recently of Illinois, were here last week looking for a situation. They had been up to Derby and returned to look after their household goods and stock, they having brought out a carload with them. They intend to store their goods in Medford and look around before they decide where to locate.

EAGLE POINT CHURCH.

Rev. F. C. W. Parker, secretary of the Oregon Baptist state convention, with headquarters at Portland, dedicated the First Baptist church of Eagle Point Thursday night. An intelligent and attentive audience greeted him. All joined heartily in the services and it was a most enjoyable occasion.

The room has been beautifully papered and furnished throughout with pulpit and platform. The pulpit and pews are finished in the natural wood. The community is to be congratulated in the possession of such a commodious house of worship. Much credit is due the committee, Dr. William P. Holt, Mrs. J. Frank Brown and Mrs. J. W. Grover, for their efficient service. The church was dedicated free of debt. All bills were paid with a cash balance preceding the dedication. The community took a very active part in this work, giving it their generous financial support.

While this is a Baptist church, it is open to any and all Christian people for religious services when not in actual use by the Baptists. Eagle Point is one of the thriving towns of Rogue River valley and has a bright and prosperous future. C. H. McKee took part in the service.
