This is a stock reducing sale. Summer goods must be cleared from our shelves no matter what the cost. The cash we must have. Every season we bring you new goods, and this is how we do it. We do not offer to pay your railroad fare or give rebates on certain amounts purchased, for the prices we are making are too low; we cannot do it, but we assure you that you are saving much more than if we did make these offers. We take this from the price. **ALL GET THE BENEFIT.**

Remember the whole shooting match goes to the people. We expect to do 10 TIMES THE BUSINESS that we have ever done before in the same number of days, because we want the cash and the goods moved. Absolutely \$1 will do the work of \$1.50 or \$2 elsewhere on many lines, and next SATURDAY MORNING, JUNE 19th when these doors open, you will see such a gathering of people as never before appeared on the streets of this city.

Every item you buy may be brought back at any time during the sale for exchange, or your money back for the asking
