CITY COUNCIL BUYS CAST IRON PIPE FOR **DISTRIBUTING SYSTEM**

Contracts for Water Works Along Seventh From Bridge to School-New Water Rate schedule Agreed Upon More Money Needed for Cast Iron Lines.

At Thursday afternoon's meeting the a majority of citizens petitioned for eity connell, after months of procrastin- cast iron, the plats were changed alion, purchased cast i.on pipe for the The councilment did not order the enthion, purchased cast i.on prestor the The councilment did not order the en-fivat section of the new water system tire \$40,000 worth of pipe, as they at a cast of \$2000. At the informal might have done, because they thought section a new schedule of water rates that it would be better to Secure the was agreed to, which if enforced will additional \$25,000 needed 5 rst, and then was agreed to, when it entored will antitional \$20,000 needed brai, and thra yield the city a revonue that will make the water department self sustaining and profitable by stopping a deficiency of \$600 a month. The balance of the pipe will be bought nert January after the election.

of \$600 a month. Pipe was ordered for shipment in January for mains to be hid on Sey enth street from Bcar creek to the West Side school and for interals from the Fie, makes water rents due the first main to the north and south lines of of every month and delinquent the the street. The mains are 10 and 12 ionth, with a penalty of enting the inches in dismeter and most of the lat- water off if not paid, and a \$1 charge erais 8 inch pipe. The order was placed for turning it on again, with Chance & Co. through W. S. Jef. There were present a Thore were present at Thursday aftes, their agent. The pine will be shipped January 12. filmen Olwell, Trowbridge, Osenbrugge ries, their agent.

It is expected that by this time the financial situation will have improved Barkdull ill. At the evening session all to the extra: that there will be a good market for municipal bonds. The total the above were present except Council cost of the cast iron pipe system is es-timated at \$65,000. Forty thousand dollars was voted by eitizens last spring for a wood a stave pipe system, but as uses will be discussed.
