THE GOLDEN RULE

I think I'll buy me a false beard and dress up like Kris Kinkle, Golly! They had us going some on Saturday in all parts of this town for a couple of days. The boss was jumping over the counters about 11 a. m. to save time, then he bumped into me. I couldn't get out of his way in time. All he said was: "Willie, this makes a hit with me." All I said was: "Me too." I guess a lot of folks in this town will be saying "Me too" about next Wednesday morning. You know it's not always those who expect the most that get the most. Well, everyone can expect and give at this time of Christmas or any other time, and that is good groceries and good treatment. The "Golden Rule" is on top every new morning and every other morning in this town, and that's to have your order early for that Xmas dinner.
