DENOUNCES THE OUTRAGE

## FOR THE MONEY.

The Medford Publishing company, publishers of the Medford Tribune and South to Oregonian, offers the people of Medford and Jackson county the safest and surest of investments, name-W. C. Reagan, the merchant, and his ly, first nortgage five-year bonds, bear-fe spent Christonas with Mrs. J. H. lug 6 per cent interest, payable semiannually. The bonds are in small decominations and a negotiable security. Creeks on any Medford bank taken in

What the Bonds Are. These gold bonds are in denomina tions of \$5, \$10 and \$25.0 They are in the form of a popular loan for \$400°, They are secured by a first nortgage upon the property and plant of the Medford Publishing company, comprising a daily newspaper, The Tribune a semi weekly newspaper, the Southern Oregonian and Jacksonville Times, with the largest circulations in southern Ore gon; and an up-to-date newspaper and ob printing plant. The bonds are safe investment at a higher rate of interest than any bank will pay and better security. They are negotiable and recommended by leading business men of Medford as a good investment. They draw interest at the rate of 6 per cent per annum, payable the first of mature in five years. Each bond has Grants Pass Commercial club, and his family second Christmas in Medford with Mr. and Mrs. W. Vogeli, Mrs. And tures, calls for the interest due, which preus' parents.
Mr and Mrs. Hamilton Smith, who son County bank.

#### Why the Bonds are assued

money to enlarge and improve the print-ing plant and to continue the publicaon in a better form of the Daily Tri bune and the Semi-Weekly Southern Oregorian. It is desired to It is proving inadequate volume of business which still better. to handle the volume of business which the rapid growth of the city insures paper that the entire valley will be proud of. All of the money secured by the sale of these bonds will be invested in the property, all of which will be subject to the mortgage given a security for the bonds. Medford is destined to be a large city, its daily a great newspaper worth many times the original investment.

#### Medford Publishing Company.

The Medford Publishing company aposed of reputable business men of Medford, who have backed their judg rated for \$10,000 capital stock, which only part has been subscribed. The balance is treasury stock. Of the stock already issued, a majority is it the name of G. Putnam, editor and mar aget. There is no "water" in th dock, it all represents money actually provide that the editor and manager directors of the concern are the following well-known business men of Med cord: W. I. Vawter, F. Osenbrugge, J.

F. Reidy, H. C. Stoldard, C. R. Ray, G. Patnam, R. G. Smith and J. D. Olwell. All of these gentlemen, with the exception of Patnam, took stock nerely from a public spirited stand point, to secure for Medford a good faily newspaper. None of them exerises any control over the policy of the

#### Not a Speculation.

If you are looking for speculation on't buy these gold bonds. They are oot a speculation. They are an invest

ent. These gold bonds will not make yo ich, but they will give you a good re-orn upon the money invested. You will not put in a dollar expecting to get out on dollars, for you won't do it. But on can put in your dollar and be sure

Again, these gold bonds beat any owing it away in safety deposits This land, that is good for vaults. It keeps the money in circulation and helps make times better, as could and feels confidently, will be well as encouraging a praiseworthy en terprise.

11 is to the investing, not the specu

fored. The best financiers in the city recommend them.

#### The Paper's Puture.

A great future lies before this con try, and before this newspaper. The property is built upon business lines and run upon business principles. Its policy is progressive, forceful and in dependent. Its manager has had many years' experience in practical newspa-per work. The newspaper proporties award are bound to be great news copers, because they represent the whole people and standing for the peode, will be supported by the people The daily has grown wonderfully the present manager took charge.
