For the Last Time This Year

For the last three years we have claimed a part of your patronage and are pleased to say we are satisfied with what we have gotten. We have tried to please, and for the balance of this year or until Christmas we will give you 10 per cent off of any goods you may buy, but after that time the old prices will prevail.
 The panic has had no effect on us at all, and with the new year we will stock up and serve you better than ever.
 The city council has decreed that you and each and all of you shall place numbers on your houses, and I have them to sell you so cheap that you can't refuse to buy them. Come in and see them. If you have not yet put in your guess, you had better get busy at once.
