Coming Attractions. January 8—"Are You Crazy?"

A WORD FOR THE COUNCIL.

The life of the present city council is drawing to a close. Much knocking has not come up to expectations in many ways, yet all things considered, it has done more for the city than any other council ever did, and its record is a clear one.

A beginning has been made along the right direction in many lines. The main street of Medford has been cleared, paved, and water mains purchased for Seventh street and a new distributing system for the entire city arranged for. Plans have been secured for an adequate water supply for the city.

It is at least a thankless task to accept public office in a small place. There is no salary attached to it, much hard work, much unselfish sacrifice of time for the public good, and little but the anvil chorus for a reward.

PROSPERITY MASS MEETING.

Don't forget that prosperity mass meeting scheduled for Monday evening at the opera house.

Everybody in Medford is invited. There will be a good program, plenty of good music, eloquent speeches by eloquent speakers and a lining up of every body for the common good.

It is a time to forget petty quarrels, to bury your hammer, to put away your ax. It is a time of good fellowship in a good cause.

You and I and everybody here want to make this coming year the most prosperous in the city's history. It is up to each of us to do our share. We can do it easily if we will. Come and learn how.

Everybody is asked to attend.

To the Editor: I have been reading your valuable, or rather invaluable to me, semi-weekly for two months. It is certainly a splendid paper. I notice your efforts to sell \$4000 in bonds to improve your plant. If your people could be in Palisades, Cal., and see what their paper has done for that valley you would over-see your bonds in a day.

I wish to send your Horticultural Tribune to a number of people I am interesting in your valley. What must I send you per copy with the names? I expect to visit your valley in March or April, and if it is as nearly as good as you people say it is, I expect to locate in the valley.

Hit 'em again on the 'ax' deal. Sioux Falls, S. D., January 1.

COMMUNICATIONS.

To the Editor—Sir: As you say you are untrammelled, therefore you can give me under dog a chance. Indeed, it could be most unfair not to allow a means to answer Father Gregory's arbitrary dictum on Socialism, especially on the eve of an election. He says Socialism is revolutionary. It is, and revolutionary, but it only wants the possible weapons of its warfare to be free speech, free press, fair arbitration and ballots instead of bullets.

Medford, Or., Jan. 11.

JACKSONVILLE ITEMS.

The Misses Prim gave a very delightful party last Saturday evening. Cards took up the greater part of the evening, followed by music and at 12 o'clock a hearty supper was served in the dining room. Charles Numan was fortunate in receiving the first prize, a book entitled "A Six Cylinder Courtship," while Professor Wells received the consolation, a toy drum, which isn't hard to beat.

is much improved, we are pleased to report.

The I. O. O. F. lodge held their regular installation last Saturday night. Mrs. Elmer served a splendid chicken pie supper after their work had been completed.

School has reopened after a two weeks' vacation. The old rooms are again being used, as it will probably be two or three weeks before the new schoolhouse will be completed.

We are sorry to learn that both Jas. E. Wilson and his wife are quite ill with pneumonia. Miss May Huffer and Mrs. Charles Wilcox are attending them.

Henry and Frank Stevenson have purchased the ranch belonging to J. M. Dews on Big Applegate for \$3000. They will take possession immediately, while Mr. Dews, who has been a resident of that section since 1865, will probably move to Jacksonville.

District Attorney A. E. Reames arrived from Portland to be present at the adjourned term of court.

Mrs. E. J. Kubli returned from Portland on Monday noon's train, where she has been spending the holidays with her children.

MAY REARREST PUTER AS SOON AS RELEASED

S. A. D. Pater, the eminent land fraud operator and author of a reminiscent volume on thefts of public domain, hopes to reveal in the air of freedom within the next few days. But he is not quite sure. That pardon from the federal government, which F. J. Heney wired as on its way, is due to arrive. It would not have surprised Mr. Pater had it arrived last night.

There is a brand new warrant out for Pater, and it is now in the hands of Sheriff Stevens, having been placed with him yesterday forenoon by Circuit Judge Cleland. The warrant is new only in the sense that it has never been served before. It traces its origin back to the proud days of land-fraud activities in April, 1905. The document is in the shape of a bench warrant issued at Salem by the county clerk on an order from the circuit court of Marion county.

It was issued following Pater's indictment, April 28, 1905, on a charge of subornation of perjury. Initiative in that instance was taken by the state and the charge now against Pater has nothing to do with the United States government.

FOUR WEEKS MORE TO FILE PETITIONS

SALEM, Or., Jan. 8.—Chief Clerk S. A. Kozor, of the office of the secretary of state, and I. H. Van Winkle, assistant attorney general, have computed the various dates that must be observed in filing initiative petitions, nominating petitions, pamphlets, etc., for the general and primary elections this spring. As initiative petitions must be filed by January 31, it is evident that there must be some active work in the next four weeks on the part of those who have initiative measures in charge. The primary election will be held April 17 and the general election June 1.

CONDUCTOR PUTS ROBBERS TO FLIGHT WITH LANTERN

KANSAS CITY, Jan. 7.—Four men attempted to rob the passengers of the Missouri, Kansas & Texas passenger, standing in the Union station here, early today. They were frightened off before securing any money. They took the grips of two German emigrants. Two of the robbers flourished revolvers. Conductor H. W. Drew attacked the robbers, hitting one on the head with a lantern. They fled. They were not masked. Two men were arrested and held for investigation.

POPULAR PROFESSOR PASSES THROUGH MEDFORD

Professor Jasper N. Miller passed through Medford Monday on a trip to his place on Box creek, near Butte Falls. His school, district 31, in the Burnt district, Josephine county, closed December 29, and will open the first Monday in February. Professor Miller was for several years a diligent student at the Ashland normal school and has taught in various schools in this county with much success. Last winter, he had the Betts school and left a large circle of warm friends at the close of the year.

Copper from Washington Mines.

The state of Washington produced in 1906 blister copper aggregating 290,823 pounds, an increase of about 68,000 pounds over the output for 1905. The output was derived chiefly from mines in Skamania, Snohomish and Stevens counties, and was smelted in Washington, Alaska and British Columbia. The United States geological survey has just issued as an advance chapter from "Mineral Resources of the United States, Calendar Year 1906," a detailed report on the production of copper in 1906, prepared by L. C. Graton, geologist. Copies of this report may be obtained by applying to the director of the survey at Washington, D. C.

Cow Burns Her Feed.

CORVALLIS, Or., Jan. 8.—A 5-year-old Holstein at the college dairy made a milk yield of 13,714 pounds for the year ending December 31. The product carried a butter fat record of 46.55 pounds, and yielded 529.75 pounds of butter, that at prices current during the year brought \$170. She was not pushed in the feeding, but given the ordinary rations incident to any well-kept dairy. Her food for the year cost \$40, leaving a net profit of \$130.

Hurt in Runaway.

EUGENE, Or., Jan. 8.—J. W. Hobbs, deputy internal revenue inspector, was painfully though not seriously hurt by his team running away while on his way hunting. He was thrown from his rig and a bad gash cut in the top of his head and several ribs bruised and wrenched.

AMUSEMENTS

FLORIE ALLEN, WITH "ARE YOU CRAZY?" AT THE MEDFORD THEATER TONIGHT.

"Are You Crazy?" the latest musical comedy success, will be the attraction at the Medford Opera House tonight. This attraction will be one of more than ordinary importance from a theatrical standpoint, as it is a sparkling new musical comedy. The title in itself suggests all sorts of possibilities aside from the intensely funny dialogue and comedy situations. Much interest is promised from a musical point of view; a number of new and original songs and musical numbers have been written especially for this production and a carefully selected company of singers, dancing girls and comedians have been secured to properly present the comedy.

INTER-SCHOLASTIC DEBATE NEXT FRIDAY EVENING

The first interscholastic debate in Southern Oregon will occur at the Opera House next Friday evening at 8:15, when the successful contestants of the High School Debating club will meet a picked team from the Klamath Falls high school. All over the state these debates are going on, and gradually the winners of the district contests will be discovered and these will compete in inter-district contests, and the inter-district champions will meet at Eugene some time in the spring to decide the state championship. Medford wants to send a team to Eugene. Medford people can show their interest in their boys by coming out next Friday evening and supporting them to victory. They have to defend the negative and that isn't easy. They are working hard to make a good showing, and all should show their appreciation. The Medford team is composed of Vernon Vawter, Carl Glasgow and Elmer Swagerty. Klamath Falls will be represented by Alex. Martin, Carlisle Yaden, Vincent Yaden. Admission 25 cents, reserved seats 35 cents. Tickets on sale Thursday at Haskins' or buy of the committee.

Coal for Sale.

We are now prepared to furnish hand-picked coal at the mine, five miles east of town, in any amount desired \$7.50 per ton. PACIFIC COAL CO.

Important to Household.

The city engineer will hand you in the next few days your official number for your house. Present this card to Shortie Garnett and he will sell you the 3-inch numbers at the rate of 8 1/2 cents per number. If you have secured numbers already and find they are wrong, bring them in to Shortie and he will trade you the right numbers.

Buy Tickets by Wire.

Something which is of considerable interest to the public generally and which is perhaps not generally known is the system of prepaid orders now in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be furnished at the same time.

SALE OF MUNICIPAL BONDS.

Sealed proposals will be received by the city council of the city of Medford, Oregon, at the office of the city recorder of said city, until Friday, January 10, 1907, at 6 o'clock p. m., for the purchase of \$25,000 in ten-year, 5 per cent coupon bonds of said city, in denominations of \$500 each, interest payable semi-annually. Each bid must be accompanied by a certified check for an amount equal to 5 per cent of the amount of such bid, payable to the city of Medford, and said city council reserves the right to reject any or all bids.
