#### OPTIMISM THE KBYNOTS.

A crowded hall, an enthusiastic audi ence, entertaining oratory and appreci-ated music were predominating features in the "prosperity meeting" which brought together all factions of Meditions ford and united them in work for the

minom good Monday evening.
It was unmaintenesty agreed to bury the hammer and the ax, to cease knock-ing, to forget trivialities and petty quarrels in a united effort to boost for Medford and the Rogue River val-

Speakers clearly outlined reasons why the presperity Medford has en-joyed should continue, increase and multiply. The garden spot of the world is about us, destined in the near for ture to be the earth's greatest orchard. We are destined to have the greatest ser capita of wealth in the United States. Get into the band wagon, do your

share and you will find your property increasing in value like a snowhall rall-ing down hill.

Most of us in Medford are optimistic of the future. It is hard to live in this country without being optimistic.
