## Perservance and Ambition Wins Battle of Ballots, Enter Now--Never to Late.

CUT THIS OUT.

### MEDFORD TRIBUNE AND SOUTHERN OREGONIAN GRAND PRIZE CONTEST

\*\*\*\*\*  
ONE VOTE.  
\*\*\*\*\*

Good for TWENTY-FIVE VOTES when used as a nomination blank.

FOR.....

DISTRICT NO.....

This Coupon, cut out and mailed to the Contest Department, or deposited in the ballot box at the Tribune Office, will count as one vote for the lady whose name is filled in.

COUPONS SHOULD BE SENT FLAT, NOT ROLLED OR FOLDED

To say the Tribune contest is assuming large proportions is expressing it mildly. The way the fair contestants bring in votes and subscriptions is indeed very gratifying to the management of the contest.

The inquiries as to how the favorites of different parties are getting along in the race are numerous. It keeps the contest manager busy a greater part of the day answering these questions.

Is it any wonder that the young ladies are putting in long hours of work to win one of the valuable prizes that are being offered by the Tribune.

#### Think of It.

One beautiful Reo Automobile, one magnificent building lot, five business educations, five exquisite gold watches, and five piano certificates. Seventeen valuable prizes to be given to seventeen ladies, absolutely free.

The progress that has been made so far is very gratifying to the contest management and shows the high regard in which this paper is held. There is not a man, woman or child in this community who has not heard of this phenomenal offer and who is not already speculating upon the probable outcome of the contest.

The interest evinced by the friends of the contestants fully demonstrates that they will have unlimited assistance. All that is necessary for the candidates to do is to mention it to their friends.

#### Remember.

The chief requirements are energy and aggressiveness. You may know of a friend who will probably assist you, but at the same time there may be some of the other contestants who are also figuring on help from this same party; consequently it is the lady who sees them first who will secure the votes. Do not put off until tomorrow, but go to see them immediately.

A great many readers of this paper are already figuring to whom they will give their votes, and all that is necessary is to see them and explain the object of your visit and they will do everything in their power to assist you.

The Reo Roadster, which some fortunate lady will receive absolutely free, is indeed a beautiful car. It is one of the 1908 models, 22-horsepower, two-cylinder and is capable of carrying four passengers. The contest management fully expected to have had the car on exhibition before this, but owing to freight delays, etc., it will be some little time yet before the contestants and their friends have an opportunity of seeing for themselves what a really beautiful machine the Reo is.

And, in reference to the building lot, the lady who gets this home site is indeed to be envied. The building lot constitutes the second grand prize, and will be given to the lady having the largest number of votes after the winner of the automobile has been declared. The lot has a valuation of \$350 and is located in the beautiful Queen Anne Addition to the city of Medford.

This property will eventually be the choice residence locality of Medford, and has considerably increased in value since arrangements were made to give it as one of the prizes.

And following the grand prizes there are the fifteen district prizes, the scholarships, the watches and the piano certificates.

#### Do You Know

That it is only necessary to be among the first seventeen prizewinners to become the recipient of one of these awards, and you can do so if you will only put your mind on the issue at stake.

And once again do not forget that time is money in this contest; it is a case of "the early bird catches the worm."

Do not forget any promises of subscriptions that may have been promised to you. If you cannot get them at once do not give up, but keep after them continually and impress upon their minds that you are going to win one of these prizes, and when they know that you are in earnest and are in this contest to win they will come through with their support.

Simply go to it with a determination to win and have no fear of the final outcome.

By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be furnished at the same time.

The Southern Oregon State Normal School at Ashland offers special opportunities for teachers to review for the teachers' examinations in February and August, and to take work in Pedagogy and in Special Methods in teaching in the various grades of the training school. Since the public schools of Oregon are calling for teachers who can teach Manual Training, many are taking advantage of the industrial work lately installed in the school. Expenses of board and lodging and tuition nominal.

The State Normal School at Ashland is enjoying the largest appropriation of state funds ever granted a Normal school in the history of Oregon. Catalogues sent on application to the president.

## CATALOG HOUSES ARE NOT MERCHANT TAILORS

They drain the towns of money and neither give the fit, style nor distinction to your clothes that your own city tailor can.

### PATRONIZE HOME INDUSTRY

The clothes I make are the kind that "carry distinction," that bespeak the man, that keeps your money at home and are superior in every detail to the "sweatshop" goods of catalogue houses.
