Colonists' Rates

March 1st to April 30, 1908

The Southern Pacific Railway announces that rates in effect March 1, 1908, will be \$38 from Chicago, \$35.50 from St. Louis, Mo.; from Missouri River common points, Council Bluffs to Kansas City, Mo., including also St. Paul, Minneapolis, \$30; from Denver, Colorado Springs and Pueblo, \$30.

A SQUARE DEAL

The Rogue River Land Company has always contended that there is no good reason why the real estate business cannot be carried on honorably and honestly, with due regard for the rights of both purchaser and landowner. Actuated by this opinion, the company has never yet misrepresented as to the character of the soil or the quality of the fruits produced on same, with the result that all who have bought orchards through this agency so far could sell out, if desirable, at an advance of 100 to 500 per cent above the purchase price. This is a history of which we are proud, and we shall continue along the same lines in the future. Men who come into this favored valley looking for a new place of abode are entitled to fair treatment. We only ask of them that they will exercise ordinary business sagacity in investigating the resources of the valley before buying.

There are three things the average investor wants, if he buys country property in this valley. First and foremost, he wants a home where he and his family can enjoy good health and the fruits of this section. Usually he wants to get located where he is within easy reach of the leading commercial centers and close to local markets. And he always wants property which will bring in a good income and is sure to advance in value as the valley develops. Will he be apt to find this combination in the hands of the street-corner broker or the average "butter-in" who persecutes the homeseeker about the hotel offices? When one considers that the situation is not urging many men with good holdings to sacrifice their property here, it is up to the homeseeker to apply to the regular dealer for what he wants. If he wants the

CATALOG HOUSES ARE NOT MERCHANT TAILORS

They drain the towns of money and neither give the fit, style nor distinction to your clothes that your own city tailor can.

PATRONIZE HOME INDUSTRY

The clothes I make are the kind that "carry distinction," that bespeak the man, that keeps your money at home and are superior in every detail to the "sweatshop" goods of catalogue houses.
