MEDFORD TRIBUNE AND SOUTHERN OREGONIAN GRAND PRIZE CONTEST

ONE VOTE.

Good for TWENTY-FIVE VOTES when used as a nomination blank.

FOR.....
DISTRICT NO.....

This Coupon, cut out and mailed to the Contest Department, or deposited in the ballot box at the Tribune Office, will count as one vote for the lady whose name is filled in.

COUPONS SHOULD BE SENT FLAT, NOT ROLLED OR FOLDED

TO CONTESTANTS:

Some of the candidates in the Grand Prize Contest seem to think that a greater number of votes will be issued during the last week of the contest than has been given, and that a better offer than double votes will be given later on. It is positively stated through the contest department of the Tribune that an offer better than double votes will not be made, and less votes will be given during the last days of the contest.

If subscriptions are being held back waiting for a better offer, it positively will not be made, and to secure the most votes on subscriptions they must be turned in during the double-vote offer. Don't overlook this and thus lose thousands of votes.

Keener interest is being felt into

what is developing into a neck-and-neck race for the rich and valuable prizes being offered by the Tribune to its friends and patrons.

Chances Are Even for All.

At the present time one could not tell which way the tide will roll at the final counting of the votes, and to pick a winner now from among the many striving hard for first honors would be an utter impossibility.

The contest changing of positions shows to all interested that a race is to be run with honors even, and a frequent change that is noticeable is that a lady down on the list today will tomorrow attain the coveted honor of leading her district, and so on until now the interest is at fever heat, as each contestant in the race has numerous friends who make up the total population of the contest districts.

With each succeeding day numerous changes come and the phone is kept busy—contest managers no exception—answering calls and taking subscriptions from friends of a favored candidate and asking that the votes be applied to her standing the next day.

More Changes.

Surprises are always coming and the coveted position at the head of the list is always in demand. If a lady holds the first position for more than a day at a time she is doing very well indeed, as there are others who value the benefits of heading the list. Do not become discouraged because someone has a few more votes than you have, because with just a little effort on your part enough votes can be secured during the next few days to more than put you in the lead with a very comfortable majority, and while the chances are practically even is the best time.

Votes Piling Up.

Contestants, do you realize that the end of the contest is nearly here and you have very little time in which to redeem yourself, if your standings are not as high as you would have them? Votes are coming into the office fast and furious and if you are not sending in any votes you had better look to your laurels or you will find yourself out of the race when the final count is made.

Time Growing Short.

The time is brief and it behooves each and every candidate to get in and do her best in the manner of securing votes and subscriptions while there is yet time. Not a contestant should get discouraged if she is not at the head of the list at present, but become determined in the matter, and with that thought only, get in and by good, persistent work, coupled with energetic action, canvass for the votes and sub-

scriptions and make a race well worth running. The candidate who works earnestly and steadily and makes daily gains is the one who is most likely to win in the end. Make the most of every day, and make every day count.

Piece Goods and Why

TWO EXCELLENT REASONS

A great many people may wonder why we have decided to put in complete lines of Cotton Piece Goods and Staples. We want you to know at least two of our special reasons. First, we had to have more room to accommodate our ready-to-wear goods business, and thought that piece goods would go best with the lines we carried. Second, we felt that we could save the people of Medford money in these lines. Watch this space for the real bargains.

MORE READY-TO-WEARS

WE WILL CARRY A LARGER AND BETTER ASSORTED LINE OF READY-TO-WEAR LINES THAN WE COULD HAVE CARRIED IN THE ONE ROOM.
