Begin the New Year IN THE RIGHT WAY By Building

A good start means much to you. Get off on the right foot and keep going. Don't continue to throw money away by paying rent, when you can own your own home. How much did you pay out for rent during 1907? Stop and figure it out. What have you got to show for it? Nothing but a bunch of receipts. Suppose you had put this money into building a home and buying a lot? You'd have something to show for your coin, wouldn't you? The same thing holds true in the coming year. Are you going to waste your mazzuma all year, and have 1908 net you nothing but a living? Ask your wife about it, and see what she says.
 Building is going to be cheaper this year than ever. You can buy practically at your own terms. We sell all kinds of lumber—everything needed in any kind of a house from a small cabin to a palatial mansion. We also sell Booth-Kelly lumber.

Gold Hill's Playhouse.
 Gold Hill is to have an up-to-date playhouse just as soon as the repairs and changes in the building can be made. The local camp of Modern Woodmen have secured a lease on the Carter Opera House, and are now at work making some preliminary changes and improvements, in order that the place can be made habitable, at least, until the more radical changes can be completed.
