### CENTRAL-POINT NEWS.

(Central Point Herald.)

Mrs. W. W. Glasgow of Medford visited relatives and friends in Central Point this week.

L. P. Rodcliffe of the Central Point hotel has located a homestead near Butte Falls and will move his family there within a few days. Mr. and Mrs. C. E. Stephenson will take charge of the hotel Monday morning.

Mrs. Booth Lee was suddenly stricken with a serious illness last Saturday morning and for some time was unconscious. Her condition is still critical and but little hopes for her permanent recovery are entertained. Her case has been diagnosed as Bright's disease, and the sudden attack was the result of urea poisoning, which is one of the phases of that disease.

The grand ball given last Friday evening by the Girls' Leap Year club was one of the most successful affairs of the kind ever given in the town. The young ladies composing the club spared no trouble to make the affair a success, and they made good in every particular. The music and management were the best, and the supper, which was prepared by the fair fingers of the young ladies themselves, was perfection.

Mrs. M. E. Fries sold her residence property Monday to E. J. Neff, the consideration being \$1900. Mr. Neff about a year ago sold a farm near here

### EMLEN PLEASANTS OF CENTRAL POINT DEAD

Emlen Pleasants, proprietor of the Hotel Pleasants and one of the best known residents of the town during recent years, answered a sudden summons Tuesday afternoon and, without a word or even a sigh, passed on to that undiscovered country across the range.

Mr. Pleasants had been apparently in his usual health, and during the day had been about his usual duties. After dinner he went to the depot to meet the 1:35 train and, returning, stopped at T. M. Jones' office and registered as an elector. With a joke and a smile he went on to the hotel and as he walked through the dining room he sank to the floor and expired without a word or sigh.

It was decided by the local lodge of Odd Fellows last Saturday evening that the time has arrived for the large to acquire a home of its own, and as the first step in that direction the lodge voted to purchase a site for the new building the Jeffers & Peart blacksmith shop location at the corner of Pine and Third streets.
