OREGON APPLES.

Oregon Newtown apples are bringin Oregon versions a bas in the Lambon mar-let. The best California Newtowns bring only 10 shillings a bax. That is a wide margin in favor of Oregon. In there is a wider one in the case of the Maine apples. The hest of them bring but 18 shillings a harrel, or one third

a much as the Oregon product. Here is food for reflection in Oreg It is also food for congratulation. Near by twice as much for Oregon apples as for California apples, and fall three times as much as the best Maine apples means that Oregon apples are king They are the best, and so much the best that those able to pay fancy prices are determined to have them. They are sought for the tables of the rich. The are demanded in the homes of Juxury where prices are a minor consideration They are lord of the markets, and o

the best markets in the wide world Their reputation, by the grace of Hoo-Their reputation, by the grace of Mood River enterprise, is established, and all there is to do is to grow the apples and feed these elamoting mathets. The mar-ket for apples has been found, and the spot on the plant where the best of them can be produced has been located. It is Origon, and her selling place is to the site work of the whele work It is the forget, and the whole world for the rise people of the whole world It is a circumstances to give pouse to the owner of Oregon land, is it to opportunity to be allowed to pouse on seized? His revenue from grain grow ing is \$10 nn acre; from apple growing hundreds an acre. It is worth for grai production, \$30 to \$40 per acre; one set to apples, it is in demand at severa Wouldn't be better grow the hundred apples and let the man who cannot grow them raise at least some of the grain -Portland Journal.

"DO IT."

A good motto for Medford, for the edg council, for the Commoreial club is " Do 11%

Time spent in idle talk and useless debate, time spent is wrangling and petty bickerings is time wasted.

Decide what is wanted and then do . Don't spend months in deciding what should be settled at once, Too much energy, too much hast

may cause some waste, but never s ns delay and inaction.

Lethargy is more fatal to prosperity more fatal to growth and development than any one thing. Lethargy make oss grow on brains as well as o fruit trees.

If the race is not aways to the swift it usually is, and it is never to the inactive and alow. Two turtles might by a bluff, but only in a fable. When opportunity knocks, doesn't stand waiting very long, ali there is no preparation to receive he dvances she flits to another door. Grat her before she gets away, Do it, and do it now.

WALNUT PROPAGATION

POPULAR IN JOSEPHINE CO

The Grants Pass Courier says the many orchardists in our sister county have either begun to put in walnuts of will soon do so. Before long this will become one of the staple prosipuets : this region.

P. B. M. Burrows, who has a choic tract of orchard land on the Applegate is going to plant no less than ten acres using nuts from the Britt place in Jack sonville, which are pronounced extr

fine seedlings. C. H. Sampson of Grants Pass, a sur-cessful horticulturist, who has three acres of English walnuts already is bearing, has sent to Euril Britt, for some seedlings, but finds that the mand has been greater than Mr. Britt could supply, reserving all of his out put for the persons planting the groves

A Homesite Made **To Your Order**

If you had been present when Nature first fashiourd abodes where men must live, there is nothing you could add to QUEEN ANNE ADDITION to make it a more desizable site for a home it already is.

From a standpoint of scenery, healthfulness, proximity to business district, intrinsic loveliness and all modern conveniences, you are challenged to find its equal around Medford.

QUEEN ANNE ADDITION is the Nob Hill of Medford, is situated on a gentle slope off East Seventh street, overlooking the Rogue River valley and its metropolis. It is within five minutes' walk from the postoffice, QUEEN ANNE HAS NO RIVAL AT ANY PRICE.

Lots in QUEEN ANNE are genuine money-makers. Property values are increasing rapidly, and you will double your money within a year.

Buying a lot in QUEEN ANNE and the building of a home is the emancipation proclamation of a new life and
