Good Coffee Values. I was reading about a fellow who was asked what he had had for lunch, and he said: "A piece of business, some almost eggs, a cup of neat coffee and some not so neat pie." Well, you won't find any "neat coffee" around this shop; that is, if we sell it to you for coffee. It's easy for a grocer to give you a good run for your coffee money if he isn't too stingy. Coffee is better than ever before, and quality better. It all depends upon how much a grocer is willing to pay for his coffee. You can buy the real old cost Java or you can buy Java which comes from Brazil, but whatever we sell you, whether it be Java, Mocha and Java or Costa Rica, you may know it is the best grade that can be sold for the money. We have a big coffee trade, and that helps us to give you fresh roasted coffee any old day you want it, and not the tasteless kind which has lost most of its strength. I expect a lot of ladies in the store today to buy our 25c coffee.

A Word to the Custom-Tailored Man. If you have found shop-tailored clothes show style and prove worth, just as 95 per cent of the business men in America have done—and you are thinking of a Spring Suit, we desire to modestly call to your attention. A FEW FACTS: 1. If you have been in Medford long you would know we do a big, consistent business. 2. You will also notice that our following among good dressers is enthusiastic and growing. 3. You will notice that our goods do not make you wonder if you have not seen that pattern before.

From Medford's Style Shop. WHY? FOR THIS REASON. 1. We are here to do business in Medford for the next 40 years. 2. A customer is not a customer with us unless he is so pleased with his goods that he becomes a "Toggery Booster." 3. We would rather salt, boil and eat a shoddy suit than sell it with its 40 per cent profit.

SO! 1. We propose to give dollar value for purchase dollar (and where we can we will sneak in ten quality cents extra). 2. We are not satisfied unless we give for the money the best clothes United States wholesales, the best Hat on the market and a metropolitan choice in Shirts and Ties. Yours in Medford.

The Toggery As Usual. New Suit Arrivals. You Should See These Beauties.

Just received a big shipment of the newest and swiftest ideas in Spring Suits for Ladies and Misses. They came out by express direct from the hands of the finest men tailors in the world. Those little finishing touches so dear to the heart of every woman is seen in the entire lot. There is VALUE shown in EVERY SUIT and we have honestly marked them at exceptionally close prices.

PRICES \$15 TO \$40. SEE THE NEW SWEATERS. PRICES GUARANTEED LOW. BAKER-HUTCHASON CO. JUST NORTH OF JACKSON CO. BANK.
