A Word to the Custom-Tailored Man

From Medford's Style Shop

If you have found shop-tailored clothes show style and prove worth, just as 95 per cent of the business men in America have done—and you are thinking of a Spring Suit, we desire to modestly call to your attention A FEW FACTS: 1. If you have been in Medford long you would know we do a big, consistent business. 2. You will also notice that our following among good dressers is enthusiastic and growing. 3. You will notice that our goods do not make you wonder if you have not seen that pattern before.

WHY?

FOR THIS REASON 1. We are here to do business in Medford for the next 40 years. 2. A customer is not a customer with us unless he is so pleased with his goods that he becomes a "Tog- gery Booster." 3. We would rather salt, boil and eat a shoddy suit than sell it with its 40 per cent profit.

SO!

1. We propose to give dollar value for purchase dollar (and where we can we will sneak in ten quality cents extra). 2. We are not satisfied unless we give for the money the best clothes United States wholesales, the best Hat on the market and a metropolitan choice in Shirts and Ties. Yours in Medford.

The Toggery As Usual

Many Special Drives Lowest Prices in New Goods.

In the past, merchants went into market twice a year and bought enough goods to last through the seasons. These goods were sold for long profits and a special was unheard of until the goods had been kept two or three years. The Modern Way is to buy a little at a time and buy often, then when some wholesaler puts up a special we can nab it, and in this way can offer to our patrons the newest merchandise at lowest prices. Many of these special drives are on sale at this store any day.

THE NEW GLOVES

We want you to see the New Gloves. Almost anything you want is here in long and short, lisle, silk lisle, silk and kid or cape. The values are certainly above par. \$1.00 Buys a pair of Short Kid Gloves at this store which would be hard to find in most stores for \$1.50.
