Good Coffee Values

I was reading about a fellow who was asked what he had had for lunch, and he said: "A piece of bacon, some almost eggs, a cup of near coffee and some not quite pie." Well, you won't find any "near coffee" around this shop; that is, if we sell it to you for coffee. It's easy for a grocer to give you a good run for your coffee money if he isn't too stingy. Coffee is lower than ever before and qualities better. It all depends upon how much a grocer is willing to pay for his coffee. You can buy the real old Govt. Java or you can buy Java which comes from Brazil, but whatever we sell you, whether it be Java, Mocha and Java or Costa Rica, you may know it is the best grade that can be sold for the money. We have a big coffee trade, and that helps us to give you fresh roasted coffee any old day you want it, and not the tasteless kind which has lost most of its strength. I expect a lot of ladies in the store today to buy our 25c coffee. MILLER & EWBANK

A Word to the Custom-Tailored Man

From Medford's Style Shop

If you have found shop-tailored clothes show style and prove worth, just as 95 per cent of the business men in America have done—and you are thinking of a Spring Suit, we desire to modestly call to your attention. A FEW FACTS: 1. If you have been in Medford long you would know we do a big, consistent business. 2. You will also notice that our following among good dressers is enthusiastic and growing. 3. You will notice that our goods do not make you wonder if you have not

seen that pattern before.

WHY? FOR THIS REASON

- 1. We are here to do business in Medford for the next 40 years. 2. A customer is not a customer with us unless he is so pleased with his goods that he becomes a "Toggery Booster." 3. We would rather salt, boil and eat a shoddy suit than sell it with its 40 per cent profit.

SO!

- 1. We propose to give dollar value for purchase dollar (and where we can we will sneak in ten quality cents extra). 2. We are not satisfied unless we give for the money the best clothes United States wholesales, the best Hat on the market and a metropolitan choice in Shirts and Ties. Yours in Medford.

The Secret of a Beautiful Face lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply ROBERTINE and experience its delightful refreshment. You will admire the line-les softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles. Add your Druggist for a free sample and 75¢. POLITICAL CARDS. FOR COUNTY JUDGE.
