### BLUE LEDGE MINE NOT CLOSED DOWN, AS RUMORED No.

The Blue Ledge mine has not closed down, according to stories told by employes now in Medford. A number of men were let out last week and outside work stopped, but a crew of between 30 and 40 are still employed in develop-ment work in the mine.

Two reasons are given as probable mass for the abandonment of outside work—the financial stringency in the cast and the desire of the little Ledge company to acquire adjacent propertie before building a smaller and califord

# This Store's Mission

Did You Ever Think this Way

in a smaller city we feel that the store should be more than more room where you can go and boy a few of the necessities of life. It should be changed every little while and made an attractive place

It should be changed every little while and made an attractive place to visit—a place you will delight in stopping for a look through or of chut with friends who may chance to be there.

There is just what we are trying to make of this stare. A delightful place—a place that will cause our triends to stop and enjoy a look for a short time. You don't need to feel that you have to buy anything—you are welcome here often, whether you have goods or not.

# What 5c Will Buy
