CAMPAIGN CONTRIBUTIONS.

There is scarcely a day that this paper does not receive some intimated news from the Taft press bureau, setting forth in glowing fashion the rosy prospects of Big Bill for securing the republican nomination for the presidency.

It is said, and on good authority, that more money is being spent on Taft's pre-nomination campaign than was ever spent on such a campaign before.

At the Bijou.

The management of the Bijou theater has been particularly fortunate in securing the picture of Bob Evans' battleship fleet for the remainder of this week.

AMUSEMENTS

"The Golden Giant."

The Margaret Hies company appeared last night in the western drama, "The Golden Giant." The crowd was not as large as the company deserved, but this was perhaps on account of the circus having depleted the show-going public of their dinars.

For a time, Captain Hobson is without doubt the foremost champion in the present congress of a larger navy, his speeches in the house the past two months stamp him as an orator of whom the country may well be proud.

Wise Talks By the Office Boy

Pa says a rose by any other name would be just an expensive bank card this time of year.

I sometimes think the piece for the piney woods in old Penobscot, Penobscot County, Maine, where he was raised—but that's one thing you're truly never yours for.

The good mountains and the good old ocean and nice old Oregon atmosphere are good enough for me.

But it's all in how you were raised. Pa likes clam chowder and corn on the cob, and harvest apples and a bit of things that a kid who was born this side of the snow sheds hasn't had much chance to get acquainted with.

Those who have lived on both sides of the great country and lived long enough to know what's what can get all those things just as nice one place as another, if you know where to buy.

We've got clam chowder from Boston that is just as nice as any you ever ate on the sand, and lots of other things that have that "Down East" taste.
