

# ROSE SHOW SUCCESSFUL

Greatest Week in Portland's History-- Printers of State Organize-- Fruit Awaits Pickers

PORTLAND, Or., June 8.—The great rose festival of Portland is now a matter of history. It was easily the most eventful week Portland ever enjoyed. The convention of the Pacific Ad Men's league started at the Commercial club Monday morning, closing the day with a dinner that was simply perfect.

Admiral Swinburne and the other officers of the Charleston, the Yorktown and the six torpedo boats participated in every event, and had much to do with the success of the program. The parades were all superior, the automobile races were remarkable, and the attendance both of visitors and home people at each and every feature is conclusive proof of the prosperity of the Pacific northwest.

**Printers Organize.**  
The Western Masters' association, composed of all the leading printers between the Rocky mountains and the Pacific ocean, met in convention at Portland last week. They are now thoroughly organized and every important city on the coast is represented upon the executive board.

In the valley around Cove, Or., there will be produced this year 200 tons of cherries and 500 cars of apples. The people there realize that they will need from 250 to 300 people in addition to their local population to pick and pack the cherry crop.

A special Portland excursion party will attend the commencement exercises of the Oregon state university on June 24.

**Title Men Banquet.**  
The Oregon Association of Title Men, which will affiliate with the National Association of Title Men, was organized at Portland on Saturday. Delegates from many sections of Oregon were given a banquet by the Portland fraternity Saturday evening.

With the election over and the assurance of a great cherry and berry crop the people of all Oregon should "get busy" and advertise more than ever before. Within latest addition, the Toledo Development league, the Oregon Development league now has 85 members.

Under the new national banking law approved May 30, Oregon's added quota of currency will be \$2,114,000.
