It is up to You What Will You Do?
 If you do a lot of thinking, if your brain is active and the strain is wearing out your nerves and breaking down your system day by day, then you may reflect for a moment, if it would not be wise to drink the strength of roasted grains, to buy at your grocery store a package of
Golden Grain Granules
 No man can consume his strength and retain it at the same time; he ought to replenish an equal amount daily. GOLDEN GRAIN GRANULES is far superior to Coffee, although it looks like coffee, tastes like coffee and smells like coffee. A big package can be had in any grocery store for 25c. Order a package today. All grocery sell it.

It also states that most all women appreciate a clearance sale, where they can buy all lines of goods at a reduction, thus saving on all the everyday necessities.
