NO INCREASED WAGES AND NO DECREASE, EITHER

LOS ANGELES, Cal., July 28.—Following the announcement that there would be no increase of rates nor decrease in wages, the men at the shops of the Santa Fe and Southern Pacific are rejoicing.

The officials of the Southern Pacific say the period of retrenchment has passed and further increases of forces will be made.

INCREASED DEMAND REPORTED FOR R. R. V. CIGARS

Owing to the increased demand for the hand-made cigars manufactured right here in Medford by the Coleman Bros., under the name of the Rogue River Valley Cigar Works, they have been obliged to add another expert cigar maker to their little factory in the old city hall building, which is busy early and late supplying the demands of the critical smokers of the valley. Every live cigar counter in Medford handles the R. R. V. goods and report that they are good sellers. Automatic vending machines will be established throughout the valley within a few weeks, and they will use the R. R. V. 10c cigar exclusively. 111

Mr. K. L. Scott, representing the Portland Seed company, will be in Medford Wednesday and Thursday, prepared to accept advance orders for choice varieties of Roses, Ornamental Shrubs, Palms, Bulbs, etc. Those who avail themselves of this opportunity may have their orders included with the original importation, and also have the advantage of first selection. Mr. Scott will be pleased to confer with anyone interested, and can give much valuable information on culture and varieties best suited to this section. 112

By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be furnished at the same time."
