DON'T EXPERIMENT.

You Will Make No Mistake if You Follow This Medford Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys. Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Medford. Follow the advice of a Medford citizen and be cured yourself.

Mrs. A. Moore, living corner P and Eleventh streets, Medford, Or., says: "My husband had suffered from kidney trouble for some time and this complaint kept gradually growing worse. He had pain in his back and kidneys, and was forced to arise many times at night on account of the irregular and too frequent action of the secretions. He took many remedies, but did not succeed in finding relief until Doan's Kidney Pills were brought to his attention, and he procured a box at Haskins' drug store. They helped him from the first, so he continued to take them. The pains ceased, his kidneys were restored to their natural condition, and he feels better in every way. He is glad to recommend Doan's Kidney Pills to others."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

THE WATER FAMINE NARROWLY AVERTED.

When the rain failed to materialize we were bluer than ever. The creek was dry and washing scarce. Many faces were ribboned where silent tears had washed away the dust. Grim despair gripped our parching throats. Lo! The shrill whistle of a locomotive in the distance! We are saved! The nervous tension gradually relaxed leaving our knees wobbly and our steps uncertain. It was plain to all now. The problem was solved. The train slowed down at the station, and fifty cases of Colistin Mineral Water were dumped out on the depot platform. You know what to do now.

ANOTHER Man Separated From His Wife! Who Is Responsible?

We refer to a man who lives here and keeps his family in Portland because he cannot find a house for them in Medford. This is bad for him and bad for Medford. The real estate men tell us they cannot supply half the demand for houses. We will furnish the LUMBER, LATH, SHINGLES and CEMENT, if someone will get busy and build a few more houses to rent.
