

MILITIA FIRES VOLLEY

(Continued from page 1.) ed bullets in the arms or sustained slight flesh wounds. Some probably were seriously hurt, but were able to reach their homes.

Brought Mob to Senses. The volley of bullets sufficed to bring the mob to its senses and it marked the beginning of the restoration of order. The soldiers then surrounded the burning sections and, under their protection, the firemen went rapidly to work and soon had the flames under control.

How Trouble Started. The trouble was started by an assault upon Mrs. Earl Hallam, wife of a street car man, by a negro Thursday night.

MRS. DUNN WOULD AGAIN CHASTISE HER HUSBAND

SAN FRANCISCO, Cal., August 15.—Mrs. "Duckie" Rosentann-Rogers Dunn, who recently created a scene at Atlantic City by horsewhipping her husband, James Dunn, is in San Francisco today searching for him with the supposed intention of again chastising him for his alleged infidelity.

Just to show she had arrived, Mrs. Dunn last night entered the saloon of Dan Deanti, formerly manager of the Savoy hotel, of which her husband was proprietor, and assailed Deanti with a fusillade of fists, wine glasses and corks until he was forced to call upon his bartender for reinforcements.

Having satisfied herself that her prowess had in no wise diminished, Mrs. Dunn bent an honorable retreat. Deanti was at a loss to explain why he should be the object of Mrs. Dunn's wrath.

The Credit and the Cash Dollar

We are not engaged in the counterfeiting business. Our goods are all of the standard brands, not imitations. Still we claim to make your dollars larger. They will buy more groceries here than elsewhere. The secret of this transformation is "We sell for cash and so sell you more." We give you the benefit of the expenses of lost accounts and bookkeeping. We request that you investigate our prices.

Our Cash System

We believe that Medford has grown to the point where it can and will support a strictly cash grocery. The foundation of this belief is the fact that it is possible, 1st, to save much useless expense; 2d, to sell on a much closer margin of profit, as we always know "where we are at." We believe that the public see and appreciate this fair, square proposition, and the rapid increase of our trade since adopting this system is bearing us out.
