

\$50,000 FROM HARRIMAN TO REPUBLICAN FUND?

CHICAGO, Sept. 3.—Victor F. Lawson's Daily News asserts upon a reliable report from New York that William Nelson Cromwell, representing E. A. Harriman, has made a big contribution to the Taft campaign fund. The sum was the first made to Treasurer Sheldon and is said to be \$50,000. It is further declared that there is trouble in republican ranks over the donation. Mr. Cromwell was recently appointed a member of the eastern campaign committee of the republican party by National Chairman Frank H. Hitchcock. When asked today whether he knew that Mr. Cromwell had made a contribution to the republican fund, Assistant Treasurer Fred W. Upham said: "I do not know it of my own knowledge, but I have been told that he has."

REPUBLICAN LETTER TO CORPORATION DISCOVERED

CHICAGO, Sept. 3.—The democratic campaign committee charged today that the republican national committee, despite the federal statute making it unlawful to solicit money for political purposes from corporations, sent to a Chicago corporation August 21 a letter signed by Fred W. Upham, assistant treasurer of the republican campaign fund, reading as follows: "Gentlemen: Both the New York and Chicago headquarters of the republican national committee have been opened and the work of the campaign is well advanced. The election of Mr. Taft and Mr. Sherman is essential to the welfare of this country, and perfect organization is necessary to elect them. To secure a perfect organization the national committee must be liberally supplied with funds. Congress recently enacted a statute making it unlawful to solicit money for political purposes from corporations. All the funds, therefore, for the campaign must be supplied by individuals. You are requested to bring this matter to the attention of your business associates and ask each to send a check. "Please be as liberal as possible, as it will take a large amount of money to pay the expenses of organization, the postage, printing, speakers' bureau and various details that are absolutely necessary to success. Yours very truly, "FRED W. UPHAM, "Assistant Treasurer."

HUNTERS INJURING STOCK AS RESULT OF NEW PRESERVE

KLAMATH FALLS, Sept. 3.—Already are the effects of the presidential proclamation closing the lower Klamath lake to the hunters being felt, but from a different section than one would suppose. As soon as the announcement was made that the lake was closed hunters immediately began to trespass on the property adjoining the lake and the marshes. To this the property owners did not object, but when their stock began to suffer from the carelessness of the hunters there was an immediate protest, and one that has grown until it is going to result in the posting of trespass notices throughout the lower country. Reports of injury to stock are coming in daily and Mr. Crisler of the firm of Crisler & Stills states that he has already lost a valuable steer. Out on the Altamont ranch a number of the dairy cows and several of the horses have been injured by duck shot. Whether the posting of trespass notices will result in the organization of hunting clubs or not remains to be seen. Last year the club of this character was in existence and land was leased for hunting purposes. Presumably this club will be resurrected this year and others may be formed. Such organizations could rent the right to go on private property and hunt, its members being responsible for all damages. Around Portland such a condition exists. Unless one is a member of some club he cannot hunt, and the time is not far distant when the same condition will prevail here.

CONTRACT LET TO BUILD SWIMMING TANK AT KLAMATH

KLAMATH FALLS, Sept. 3.—The contract was let this afternoon and work will commence in the morning on a \$6000 swimming tank and bath house on the Hot Springs tract. P. T. Sanderson of this city has purchased a lot on the corner of the Esplanade and Spring street opposite the steam laundry and has secured a ten-year lease for two inches of water from the hot springs, or 25,000 gallons every 24 hours. The concrete tank will be completed within 40 days, and Mr. Sanderson states that he expects to have the building completed by the first of the year. The contract for the concrete work was let to Earl Sharp. The contract for the carpenter work will be let in a few days, as nothing can be done on the building until the tank is finished.

CHIEF BOTANIST OF THE GOVERNMENT AT KLAMATH

KLAMATH FALLS, Sept. 3.—Frederick D. Coville, chief botanist of plant industry of the department of agriculture, has been in the city for several days from Washington, D. C. He has been making experiments with the soils and plants adapted to this section, both on the government experimental farm and throughout other sections of the county. He left yesterday for a few days in the mountains, and on his return will visit the swamp lands south of the city.

DALLAS, Tex., Sept. 3.—Mrs. John Reinhardt lies dead today a victim of heart failure produced by mental strain and fear while testifying in a trial at Beaumont near here to save her husband, who had invoked the "unwritten law" as his defense for killing Edward Cantrell. The woman was undergoing a severe cross-examination at the hands of the prosecuting attorney and suddenly collapsed on the stand. Thinking she had merely fainted, she was removed to another room and the trial was proceeding when the announcement came that she was dead. Judge Pope immediately released the prisoner on \$500 bail.

JUDGE ALLOWS BEER TO BE DELIVERED TO THIRSTY

MONTEGOMERY, Ala., Sept. 3.—In restraining the Birmingham city authorities from interfering with shipments of beer into that city, Judge Thomas G. Jones of the United States court today held that the shipment was an interstate shipment until it reached the purchaser. The Lemp Brewing company made a shipment, which was held at the express office, the city judge holding that the interstate haul ended at the depot and that it was unlawful to deliver it by transfer wagon to the place of consumption. Judge Jones holds that such is not the case and that the transfer company as well as the express company is within the national statute on interstate orders.
