

BRITAIN HAS LABOR TROUBLE

Thousands of Unemployed March and Demand Relief-Ready For Trouble

LONDON, Sept. 22.—Maddened by suffering over a million and a half of Britain's unemployed have become little better than savages during the past few days and the authorities of the kingdom are at a loss for means with which to cope with a situation that daily becomes more menacing.

Riots occur daily in all the larger cities. Public buildings have been stormed in several places by crowds of men and women demanding that the authorities furnish them with work or with shelter and food.

Services were broken up yesterday in cyclones of disorder at the cathedrals at Canterbury, Manchester, Norwich and Glasgow by denunciations from the starving workmen of the wealthy congregations' indifference to the destitution about them.

Many Marching.

From Manchester, Liverpool, Sunderland, Glasgow, Bradford, Sheffield Hull and Grimsby 25,000 "hunger marchers" are on their way now to Northampton, where they expect to unite Friday and throw themselves upon the authorities' hands and demand relief.

Admitting that they are unable to cope with the situation, the police at dozens of manufacturing centers have called for military assistance to put down the riots, which have already occurred and have given warning that winter will aggravate the situation.

The presence of troops may be continually needed to prevent general uprisings of the poor.

Troops Ready.

All over the country bodies of soldiers are being stationed at strategic points to be ready for outbreaks.

President John Burns of the local improvement board will ask for \$1,500,000 and heavy loans for public improvements when parliament assembles later in the autumn to relieve the widespread distress and provide employment for the idle.

The board of trade today estimated England's pauper class at 928,000. This is one pauper for every 38 of the population of the entire country. The percentage of paupers in London is even larger, being one of 31, or more than 3 per cent.

The board of trade's statistics do not include the hundreds and hundreds who are usually employed, but who have had little or no work in the last year and are now almost on the verge of starvation.

These people are not considered paupers, as they have not yet appealed for aid.

PROPERTY OWNERS TALK OVER SIDEWALK ORDINANCE

The meeting of the property owners of Gold Hill who are affected by the new sidewalk ordinance met in city hall Saturday afternoon, pursuant to a call issued by the committee appointed by Mayor Stanley, and discussed ways and means by which to have the work done. The meeting was called to order by J. H. Beeman, who was chosen chairman, and Lynn Purdin was chosen secretary. After considerable discussion a motion was made that the committee appointed by the mayor be allowed to continue in charge of the work, of letting contracts, and all other business connected with the work. It was the wish of those at the meeting that the work be done by one contractor and bids will be advertised for accordingly. Those present at the meeting were: J. H. Beeman, C. F. Young, George Lyman, W. L. McClure, George and Marion Laneo, Fred Rees and A. N. Hurlbut.—News.

THEEVES ROB STORE AT GOLD HILL

Thieves broke into Jennings Bros. saloon some time Monday night and rifled the cash register taking what small change that had been left the night before and several bottles of whisky. An entrance was effected by prying open one of the rear windows with a pick. This is the second time this saloon has been broken into and the work each time points to the fact that it is the efforts of some local party as they seem to be very familiar with the building which they used as store premises. An ice house in the rear of goods had the lock broken but nothing was in the building and their efforts received no reward. It was thought that three or four dollars in small change was taken.—News.

GOLD HILL BAND HAS BEEN ORGANIZED

The Gold Hill band has been reorganized under the leadership of Prof. Dawkins and is now practicing regularly in the city hall. Prof. Dawkins is a thorough musician and the members of the band are making rapid progress under his direction. Following is the roster of the new band: leader, Prof. Dawkins; solo cornet, Miss Dora Cain; first cornets, Misses Hattie Childers and Maude Rippey, second cornets, Mrs. M. R. Rice, J. L. Hammersley and Frank Thompson; baritone, Tom Scott; tuba, Fritz Hammersley; tenor, W. P. Wether; trombone, Floyd Eddings; solo alto, Ole Walker; first alto, Glenn Eddings; second alto, Fred Honold; snare drum, Frank Turner; bass drum, Miss Daisy Dungey.—News.

Freddie Welsh, the English lightweight champion, stands a step higher in the estimation of followers of pugilism today as the result of a knockout administered to Frank Carney in the fourth round of their fight before the Pacific Athletic club.

Moran, the English featherweight, has been matched with Eddie Hanlon of that city to box 20 rounds on the night of September 30 at San Francisco. Moran will take the place of Freddie Welsh. The men are to weigh 133 pounds or less on the afternoon of the contest, which means that Moran must get out of his class.

Arrangements for a Marathon race, the first to be held on the Pacific coast, have been made by the Century Athletic club of Oakland, Cal. The course of 25 miles will extend from Fruitvale to Haywards over staked roads and canyons. The race will be open to all registered amateurs and all applicants will have to undergo a rigid medical examination. The race will probably be run Thanksgiving day.

FILE PETITION ASKING FOR VOTE ON EQUAL SUFFRAGE

PORTLAND, Or., Sept. 22.—Two years before the issue comes to the ballot the equal suffrage amendment is again an active issue before the people of the state. Friday, Mrs. Abigail Scott Duniway and Miss Myrtle E. Pense filed the petition putting the amendment before the voters with the secretary of state at Salem. Attached to the petition were 9,847 signatures. The number required under the law is 8,417. It is also required in the law that the petition must be filed not less than four months before election day. That day will be the first Tuesday after the first Monday in November 1910.

Quite a change has been made in the petition filed at this time and those upon which Mrs. Duniway has gone before the people prior to this time. Previously the equal suffrage advocates have asked that women be given the ballot in Oregon on the same conditions as men. The new petition, however, asks that all women who are taxpayers in the state shall not be deprived of the right to vote. It is expected that the new issue will meet with favor with the voters. The change is made so that the women advocates of the change can gain a foothold, according to Mrs. Duniway. An active campaign will be carried on during the two years and the leaders of the movement have high hopes that will be triumphant at the next trial.

WASHINGTON'S GRAIN CROP IS 29,700,000 BUSHELS

TACOMA, Wash., Sept. 22.—State Grain Inspectors King and Arrasmith estimate the Washington grain crop at 29,700,000 bushels, which is 27 per cent less than last year's. Its value is about \$23,000,000, which is only \$3,500,000 less than last year owing to the fine quality and good prices.

After thorough investigation, the state grain commission has decided not to change the schedule of grades. The average this year is 213,000, 200 above last year's, and the crops would have been tremendous but for hot winds, beginning in the middle of May.

The oat crop is 7,350,000, about 2,000,000 above last year's.

The barley crop is 5,700,000, or 250,000 above last year's.

The inspectors say that the Eastern Washington banks never had so much money, and that the farmers never were so well fixed. They regard the recent panic as a blessing, inasmuch as it hindered the farmers from pursuing the course begun a year ago. Last year's average price of wheat was 65 cents and this year's so far is 77 cents.
