

KLAMATH FALLS FUGITIVE CAUGHT AT ALTURAS

ALTURAS, Sept. 28.—Last May a man by the name of J. A. Stickle stole a horse from John Shook of Poe valley, Klamath county, Oregon. He escaped and since that time he has been traveling under an assumed name. He has been assisted by a woman, who furnished him with money and information. Stickle was first heard of by Klamath county officials at New Pine Creek, Oregon. Getting word from the woman that the officers were on his trail, he again made his escape. From New Pine Creek he went to Lake Shore Ranch at Davis creek. There he remained about a month, when the officers again heard of him and he again skipped, this time going into Nevada. Sheriff Caldwell of Modoc county was notified and got trace of the man Deputy Sheriff C. C. Deuseiroth of Klamath county came over here and together the two officers went in search of the fugitive. They captured him at Deep Hole, Nevada, about 12 miles north of Buffalo Meadows, and brought him to Alturas and lodged him in the county jail here. Several letters from the woman in the case were found in his possession. It is stated that she, too, will be arrested later. Deputy Deuseiroth left yesterday for Klamath Falls with the prisoner.

GOVERNMENT PLACES BIG ORDER FOR CANNED MEAT

CHICAGO, Sept. 28.—The United States navy department has just ordered 1,275,000 pounds of canned meats. This is the largest single contract for meat ever made by the government in time of peace. It will require the slaughter of 28,000 head of cattle and 6000 hogs to fill the order. The meat, when packed and ready for delivery, will amount to about 45 carloads.
