

An Extraordinary Record

THE TOGGERY WAS THE FIRST STORE CATERING EXCLUSIVELY TO MEN'S WANTS MEDFORD EVER HAD. IT WAS THE FOREMOST MEN'S SHOP FIVE YEARS AGO. IT IS THE FOREMOST ONE TODAY. FROM A MODERATE BEGINNING THE BUSINESS HAS INCREASED MANY FOLD TO ITS PRESENT VOLUME. TOGGERY BILL HAS ALWAYS SOLD THE BEST THINGS IN MEN'S CLOTHES THAT MONEY COULD BUY, AND HE HAS SOLD THEM AT HONEST PRICES—LOWER PRICES, TOO, FOR FAR SUPERIOR GOODS THAN HAVE EVER PREVAILED ELSEWHERE—AND THAT'S THE REASON HIS BUSINESS HAS INCREASED SO PHENOMENALLY. THAT'S WHY HE IS SELLING MORE CLOTHES THIS FALL THAN HE EVER SOLD BEFORE, MORE IN A WEEK THAN MANY OTHER STORES SELL IN A WHOLE SEASON.

That's Why The Toggery Is Ahead of Them All Better Clothes For Less Money

MUSIC-CLOTHES

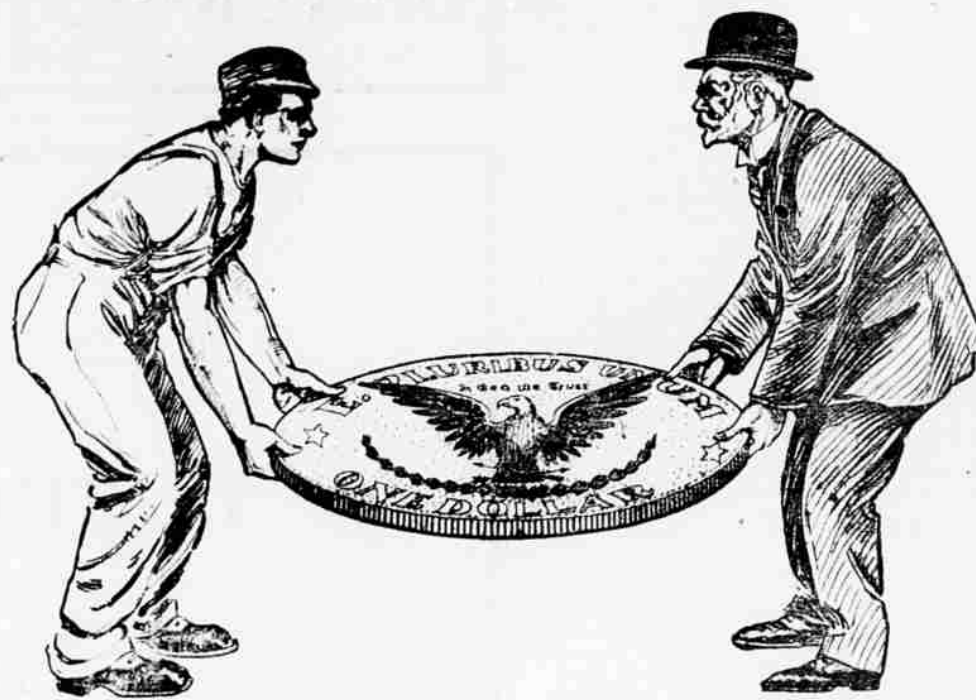

Music isn't all the same. Neither are clothes. People can usually distinguish good music from bad, but with clothes they don't always see the difference. Still, it's there just the same.

OUR CLOTHES are good—the best there is in style and quality. We are proud of them.

We Do Blow About Them

LIKE THE LITTLE GERMAN BAND IN THE PICTURE, THE CLOTHES YOU WEAR MAY BE GOOD, BUT IF YOU BOUGHT THEM AT THE TOGGERY YOU MAY BE SURE OF IT.

EVERYTHING ISN'T IN A NAME, BUT WHEN YOU EXAMINE OUR NEW FALL SHOWING OF SOFT AND STIFF HATS AND SEE STAMPED IN THE BAND THE NAME

"John B. Stetson"

OR

"No Name"

THAT COMES PRETTY NEAR BEING ENOUGH TO CONVINCE YOU THAT THEY ARE THE BEST THERE IS IN HATS.

Fall Underwear

OUR UNDERWEAR WON'T SCRATCH OR ITCHE, BUT THE PRICE WILL TICKLE YOU. ASK TO SEE OUR HEAVY COTTON 50-CENT GARMENT.

The Style

That suit is worth looking at. It's right hot off the bat of the New York style makers. No other ready-to-wear clothes approach it. There isn't a custom tailor in the country that is showing anything better.

The Material

The best woolsens there are go into these clothes. They are designed to look well today and to look every bit as well after six months of hard wear. They have got good looks, all right—the most handsome patterns and colorings you ever saw. But service is there, too—remember that.

The Fit

If anybody is going to worry about the fitting question, let us; don't you bother doing any worrying yourself. To fit you is our business. It's what we guarantee to do. It's what we have staked our reputation we can do to your entire satisfaction, be you as particular as you may.

The Price

We have these suits as low as \$9.75. We have them to sell as high as \$40. And we have them at prices all the way between—low prices, all of them, considering the grade of the clothes. Values that we invite comparison with those offered by others.

\$9.75

FOR A RATTLING GOOD, STYLISH, SERVICEABLE WINTER SUIT IS GOING SOME. IF YOU DOUBT IT, TRY TO EQUAL IT ELSEWHERE EITHER IN PRICE OR VALUE. WE HAVE A REPUTATION FOR VALUE GIVING NO OTHER STORE HAS EVER TOUCHED. BUT THESE SUITS FOR THE MONEY BEAT ANYTHING WE HAVE EVER SHOWN BEFORE.

Hunting Suits

THE VERY BEST IN ALL COLORS, CORDUROY, BROWN, DUCK AND KHAKI. FLANNEL SHIRTS AND WOOL SOCKS TO COMPLETE THE OUTFIT.
