Blazer's Clothes

Blazer's Clothes

Now is the logical time for clothes selection, and this is the logical place to make that selection. This is going to be a big clothing season. Men have been denying themselves a great many things for a year past. Now we feel the reaction. We have prepared for it. One notable feature is the immense range of styles—the daring innovations in clothes. These have to do with young men's clothes, chiefly. It is well enough to avoid the very flamboyant styles. Our selections have comprehended all the best that the leading designers have offered that are within the precincts of good taste. We invite your inspection and await your approval of ALFRED BENJAMIN & CO.' AND SOCIETY BRAND CLOTHES. We are exclusive agents for Medford.

A WORD ABOUT THE NEW COLORS AND STYLES

AT THE STORE THAT HAS RISEN TO LEADERSHIP BY STRICT ADHERENCE TO QUALITY AND LOW PRICE

THE CUT of THE SUIT

The man who goes to the tailor gets what the latter thinks is right. The man who selects from our styles gets what he knows is right—that suits him, fits him, and saves him at least a third. There are too many splendid styles to tell you much about them. See them displayed in our windows. Better still—come in and look them over.

COLOR EFFECTS FOR SUITS and OVERCOATS

The brown and mode shades prevail, and in more daring styles the cloth designs tend to bright effects, mostly in stripes, although a number are in solid colors. Blacks are good, with dark blues, light brown and other good cloth shades.
