**ALLEGED COMBINE AIMED AT HUGHES AND BRYAN**

WASHINGTON, Oct. 15.—According to Philip J. Mackey of Masstine, Is., an enthusiastic Bryan man and a traveling salesman, who addressed the district Democratic association here, Maryland anti-Bryan democrats have formed a compact with New York anti-Hughes republicans to give Maryland to Tarr and defeat Hughes in New York.

Mr. Mackey says he learned this in conversation with prominent bankers in Baltimore. He says that between \$100,000 and \$15,000 has already been sent by Baltimore merchants and bankers to New York to aid in the defeat of Hughes in return for which the anti-Hughes republicans are to send speakers and orators to Maryland to defeat Bryan.

This sturdy broad chested woman from the swamp after dark, had at first thought she would be a lone soul, when she was surrounded by wild animals. Putting on her gum boots she trudged through the swamp some distance, narrowly escaping several deep pools, and finally came upon Mrs. McGarrett, greatly excited and nearly exhausted, her hair disarranged and clothes soiled. She said she had strayed from a path she was on and got lost in the swamp.

**STAKEMAN OIL TARES IN ANOTHER OCEANARY**

NEW YORK, Oct. 15.—The secession of L. M. Bower of Cleveland, O., today to the position of treasurer of the Colorado Fuel & Iron corporation, indicates that the \$50,000,000 company has become the property of the Standard Oil company. Bower for 30 years has been one of the personal representatives of John D. Rockefeller.

It is believed that the Standard Oil acquired control through the purchase

of the corporation's stock during the panic of last year. The nominal owners were the Goulds, although a battle for control has been waged for some time. Financiers believe that the Stand and Oil will turn over the Colorado company to the United States Steel corporation eventually.
