

# GRAND BALL ON TONIGHT

## Ladies of St. Ann's Society Give Social Evening in Angle Opera House

The ladies of St. Ann's society and their guests will dance at the Angle opera house tonight. The affair is to be opened with operatic selections by the Hazelrigg orchestra. Miss Geraldine Thois, the beautiful and talented young contralto, will render two numbers, (a) "Astoria" (H. Torotere) (b) "In the Dark, in the Dew." The grand march begins at 9 p. m. and will be led by John D. O'Connell and wife. Mr. Lockhart, the popular steward of the Hotel Nash, will be in charge of a buffet supper at 11 o'clock.

### Great Revival Begins at Christian Church

Last night the Whiston Longman evangelistic team were heard for the first time in Medford. The house was filled with very interested hearers. Every seat was occupied. The singing was very inspiring. The large chorus was led by Mr. Forrest Edmonds, the musical director of the Christian church. Those who have heard Mr. Edmonds know he is very proficient in his work. Mr. C. W. Longman is fully up to expectations. He rendered two solos in a very effective manner. Mrs. Whiston presides at the organ in a way which shows she is an adept at the work. Evangelist Whiston preached a splendid sermon on the subject of "The Human and Divine Covering." He showed how man covers up sin. He also portrayed the manner by which God covers up sin. God covers sin by blotting out, forgiving and overlooking; man by hiding and excusing. The excuses are many and varied.

Whiston holds up the Christ life in a very effective manner. He does not spare sin in the least. He hits sin very hard, but loves the man. He is all energy and enthusiasm. He never utters a dull or listless sentence. Whiston is an intense speaker. If you hear him once you will want to hear him again, and yet again. No one can help liking the inspiring music and preaching.

Subject for tonight, "God's Highway." This is Whiston's baseball sermon. You will want to hear it. Meeting begins at 7:45 sharp.

### BUTTE FALLS ITEMS

Emanuel Poole, after somewhat of an exciting time, succeeded in killing two large cougars which have been doing considerable damage during the year. There were three of them but one escaped and parties are on the lookout for it.

Butte Falls postoffice has become a money order office, which makes it very convenient for our people.

Frank Neil, Lee Edmonson, John Allen and several other "Derbyites" have been visiting among us.

F. V. Medynski stopped at the Falls and voted, continuing on his way to his homestead.

The bridges near Geppert and Ginger creek are in a very bad condition. There came near being a bad accident lately on one of them. They should be attended to at once.

Election day passed off without any serious trouble. The boys enjoyed themselves in a turkey shoot. We have not learned the successful ones.

The Misses Mahoney assisted by Messrs Connelly, Wright, Clevenger, Smith and Hughes gave a delightful "Musical" Sunday evening, at the home of Mrs. Mahoney. There was a large company present and everybody expresses a common opinion in saying it was one of the most enjoyable entertainments which our people have had during the year.

Professor Smith, wife and daughter have been visiting friends in the town. Geo. West, of Prospect, and an efficient forest ranger, has been among his friends. Mr. West says his wife is in Washington a little impriver, but he expects to have to go to California for the winter.

Father Meeker, a pioneer of this section, died on Monday and was buried Wednesday. He leaves several grown children.

B. H. Harris, accompanied by his cousin drove in Sunday and left Tuesday for the valley.

John Cadzow, Howard Broughton and Ed. Watson were very helpful at the "Musical."

Several of our young men have taken to the violin and frequently entertain us evenings.

L. V. Marcy has taken up his residence here and expects to work at the Iowa camp.

Many of our voters failed to attend election and the poll is correspondingly short of the June election.

Nearly all of the unarroyed homesteads came down election day and voted.

Frank Manning rode 30 miles to act as judge of election and gave good satisfaction upon the board as did all of the other judges selected.

Geo. Albert carried off the honors in the turkey shoot by getting three turkeys, while Will Chambers, Mahoney, Poole and Connelly each got one.

### WASHINGTON FOR TAFT BY A 50,000 PLURALITY

SEATTLE, Wash., Nov. 5.—The latest returns show that the estimate of 45,000 as Taft's plurality in the state is entirely too low. The figures now indicate that his plurality is probably approximately 50,000. Only one county in the state, Whitman, failed to give Cosgrove, republican nominee for governor, a majority. Whitman is the home of John Patterson, democratic candidate.

Taft's lead outside of King, Pierce and Spokane counties at midnight stood at 15,144. King, Pierce and Spokane gave together a majority for the republican candidate of about 20,000.

The Higgen vote in the state was practically negligible, but Shafin, the prohibitionist, polled a respectable vote. As indicated, the socialist vote approximates 12,000. Only one candidate running on a non-partisan platform, in the entire state got in. He was on the county ticket.

### MRS. MAGNESS HERSELF MAY BE PROSECUTED

PHILADELPHIA, Nov. 6.—Mrs. Magness, daughter of the late Senator Gorman, instead of securing the release of her husband, a deserter from the navy, may be obliged to invoke the influence of her family to save herself. Mrs. Magness is regarded as having made herself liable to prosecution for harboring a deserter and aiding him to escape.

At the time when the offense for which Mrs. Magness might be brought to book was committed "said an officer at the Navy Yard today," she has admitted aiding him to escape while the authorities were looking for him, and has said that she went to Louisville, where the government authorities would not be likely to reach him, to meet him and marry him. This sort of thing is not lightly regarded by Uncle Sam. It is doubtful whether any influence can prevent official action in the event of the conviction of Magness.

### SUNSET BOOMS MEDFORD FOR SECOND TIME

Published in San Francisco, there is little wonder that that leader among magazines, Sunset, gives much space to the rebuilding and rehabilitation of the California metropolis; but published in San Francisco, it is matter for wonder that Sunset gives so much space to the upbuilding and growth of Oregon. The November number of the magazine, following in the line of preceding issues, has a fine story of Medford in the development section. "In Medford's Garden" it is called, and there are six pages of it, and each line of those six pages is worth \$100 to this great state of ours. Medford did not pay anything for it, nor did Oregon at large; it was written because the story of Medford's fruit and progress and push were worth writing about.—Portland Spectator.

### CHINA AND JAPAN MIXING OVER BOYCOTT

TOKIO, Nov. 6.—It is intimated here today that the sudden outbreak against Japanese and Japanese goods in Hongkong was carefully and cunningly premeditated by Chinese of rumors velleid hints that the Chinese were instigated to the plot by European merchants.

The possibility of a further complication with Japan was avoided according to the Japanese by the quick action of the Chinese in preventing the mob from injuring Japanese merchants and their shops, although some of the more fanatical members eluded the armed police and did nominal damage.

### BARRY A 10 TO 9 FAVORITE OVER MUSTANG.

LOS ANGELES, Cal., Nov. 5.—Jim Barry is a favorite at 10 to 9 today over Terry Mustang for the battle between the heavyweights schedule for tomorrow night at the Pacific Club at Naud Junction.

The fight will be a ten round bout and promises to be interesting. The heavyweights have a "grudge" to settle following their meeting at Denver and have trained longer and harder than any other two fighters who have conditioned themselves here this season with the possible exception of Papke and Ketchel.

Holders of coupons or tickets will please bring in and use at once. Gregory Studio. 201

### OBITUARY.

Mrs. Carana Allen, beloved wife of C. M. Allen, was born in Missouri March 18, 1855, and departed this life in Medford November 4, 1908.

Mrs. Allen became a member of the Christian church February, 1879, and lived a Christian life until God called her home.

She was the mother of six children, viz: Eli, Alha, Iva, Laura, Roy and Ella, all of whom are living.

Mrs. Allen was a loving wife, a true Christian mother, and a kind neighbor. Besides her husband and children, she leaves a large number of friends to mourn her loss. She is gone, but she still lives in the memory and lives of her beloved husband and children.

Funeral services were held at the residence of W. C. Green in South Medford, November 5, 1908, at 2:30 p. m., being conducted by M. F. Horn, pastor of Christian church. He was laid to rest in the Odd Fellows' cemetery in East Medford.

### HIDDEN DANGERS

Nature Gives Timely Warnings That No Medford Citizen Can Afford to Ignore.

DANGER SIGNAL No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently.

Here's Medford proof: Mrs. J. H. Boussum, living corner of Twelfth and C streets, Medford, Or., says: "I suffered so severely from kidney trouble that I was unable to do my housework. My kidneys were very irregular and caused me much annoyance. My back pained me severely when stopping or lifting and sharp twinges were often present in my loins. I ran down in health and at times felt very miserable. Doan's Kidney Pills were brought to my attention and I procured a box at Haskians' drug store. They helped me from the first, so I continued taking them and was entirely cured. I have recommended Doan's Kidney Pills to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

### St. Mary's Academy.

A boarding and day school, large, commodious and modern in its equipments.

Departments of instruction: Primary, grammar, commercial academic, music and art. The course proper to each is outlined in the "course of study of the schools of the Sisters of the Holy Names of Jesus and Mary," and will be forwarded on application to any address.

The commercial department will open Monday, November 2, and comprises shorthand, typewriting, office methods and practical bookkeeping, modern business spelling and writing. For particulars, apply to Sister Superior. 208
